such a lovely funny read smart witty and full of heart ruth jones natalie and carl are newlyweds but the honeymoon period is over already carl has just announced he has bought their first home at auction without telling natalie where it is never mind showing her a picture of it natalie is horrified to discover that the dream home is in little wyford mere minutes away from carl's ex wife antonia and to make matters worse antonia's palatial country mansion has a fully functioning roof and a heated swimming pool unlike the ramshackle cottage carl has bought for them antonia is little wyford's queen bee mistress of the book club organiser of the christmas fair and leader of the ladies who lunch no matter how hard she tries

natalie just doesn't fit in and when antonia insists on referring to carl as our husband natalie's dreams of happily ever after take another nose dive second hand furniture has much to recommend it especially when doing up a country cottage second hand clothes can be ever so chic but second hand husbands are proving to be a very bad idea indeed can natalie ever escape the label of wife number two or is she destined to share her husband forever hilariously funny wickedly witty but with a heart of gold and a warmth and wisdom that are all its own a second hand husband is claire calman's tour de force so engrossing you'll read until four in the morning jilly cooper with her trademark warmth and wit calman unpacks the secrets everyone is keeping wendy holden praise for claire calman don't take this hilarious touching and very clever novel to bed if you've got to rise very early the next day because it is so engrossing you'll read until four in the morning claire calman's plot twists and turns with endless surprises jilly cooper i really really enjoyed it i devoured it over four nights such a lovely funny read smart witty and full of heart the characters were so well defined i felt i knew them intimately and the cottage and the pond and village all the locations in fact were so beautifully depicted i was completely transported there but also the dialogue was a joy and such great humour i laughed out loud on many occasions ruth jones a beautifully observed tale of new love and blending families with a heroine i was rooting for from the very first page shari low on a second hand husband a beautiful book so compassionate and ultimately very hopeful i enjoyed it hugely marian keyes a clever bittersweet uplifting novel sophie kinsella writing with proper heart rachel joyce the characterisation is brilliant and the astute storytelling punctuated by stiletto sharp wit produces an effervescent and spirit lifting story sunday mirror a poignant and beautifully articulated tale of love and loss memory and forgetting grief and guilt new love and letting go i was engrossed often tearful and finally uplifted isobel wolff simply wonderful i was totally enchanted devoured it in a day and have been raving about it ever since fiona walker
