*Learn to Drive in 10 Easy Stages* 2016-01-03 judicial authority is constituted by everyday practices of individual judicial officers balancing the obligations of formal law and procedure with the distinctive interactional demands of lower courts performing judicial authority in the lower courts draws on extensive original independent empirical data to identify different ways judicial officers approach and experience their work it theorizes the meanings of these variations for the legitimate performance of judicial authority the central theoretical and empirical finding presented in this book is the incomplete fit between conventional norms of judicial performance emphasizing detachment and impersonality and the practical day to day judicial work in high volume time pressured lower courts understanding the judicial officer as the crucial link between formal abstract law the legal institution of the court and the practical tasks of the courtroom generates a more complete theory of judicial legitimacy which includes the manner in which judicial officers present themselves and communicate their decisions in court

*Road Traffic Law* 2011-11-01 every year over half of the driving tests taken result in failure often just as a result of nerves on the day rather than due to bad driving in addition learner drivers may be spending much more money and time on repetitive lessons than they need to this book shows you how to pass your driving test stress free and in fewer lessons saving you lots of time money now you need to ask yourself are you ready for that if you already feel completely confident in your ability believe that you can perform all the manoeuvres correctly drive totally without your instructors help and guidance and are totally confident in your ability to pass your test then don't buy this book because you don't need it however if there is the slightest doubt in your mind about your confidence or competence levels or you think that nerves will get the better of you on your test then read on this book has been written especially for you if you are one of the ten percent of the population who is dyslexic you will know that learning to drive

can present challenges for you therefore a specialist chapter has been written for you using multi sensory learning techniques to make learning easier and much more enjoyable if you are thinking about taking your driving test you need to read the chapter top ten reasons for failure and how to avoid them view this free now at [lofaway2pass.com](http://lofaway2pass.com)
