Separated by Their Sex 2011-05-16 in separated by their sex mary beth norton offers a bold genealogy that shows how gender came to determine the right of access to the anglo american public sphere by the middle of the eighteenth century earlier high status men and women alike had been recognized as appropriate political actors as exemplified during and after bacon s rebellion by the actions of and reactions to lady frances berkeley wife of virginia s governor by contrast when the first ordinary english women to claim a political voice directed group petitions to parliament during the civil war of the 1640s men relentlessly criticized and parodied their efforts even so as late as 1690 anglo american women s political interests and opinions were publicly acknowledged norton traces the profound shift in attitudes toward women s participation in public affairs to the age s cultural arbiters including john dunton editor of the athenian mercury a popular 1690s periodical that promoted women s links to husband family and household fittingly dunton was the first author known to apply the word private to women and their domestic lives subsequently the immensely influential authors richard steele and joseph addison in the tatler and the spectator advanced the notion that women s participation in politics even in political dialogues was absurd they and many imitators on both sides of the atlantic argued that women should confine themselves to home and family a position that american women themselves had adopted by the 1760s colonial women incorporated the novel ideas into their self conceptions during such private activities as sitting around a table drinking tea they worked to define their own lives on the cusp of the american revolution norton concludes a newly gendered public private division was firmly in place

The Women's Room 2011-01-11 mira was hiding in the ladies room she called it that even though someone had scratched out the word ladies in the sign on the door and written women s underneath so begins the famous feminist novel that follows the transformation of mira ward and her circle as the women s movement begins to have an impact on their lives

Women in the Military 2004 the role status and treatment of women is one of the major issues confronting the military today this volume provides a range of perspectives on the magnitude of concerns the sources of problems how issues might best be addressed and the future for women in the armed services it is based on a special issue of the journal gender issues supplemented with additional contributions from leading scholars historical and theoretical perspectives are provided by lorry m fenner and jean bethke elshtain fenner focuses on the role of women in the military since 1940 and argues for broader inclusion of women as well as other groups that have previously been restricted from full participation elshtain analyzes the extraordinary ability of war to draw both women and men into civic life and observes how it calls forth and establishes a sense of particular identity for both men and women critical views are provided by other scholars laura I miller examines the feminist movement s insistence on full participation in combat units former army chaplain marie devoung provides qualitative and quantitative data on military readiness and unit cohesion in mixed gender units leading military scholars mady w segal david r segal jerald g bachman peter freedman doan and patrick m o malley review national surveys comparing male and female high school seniors responses to surveys conducted on questions about their propensity to enlist male female differences are also addressed by judith hicks steihm who looks at the opinions each group has about the capabilities and performance of women she finds differences by rank on questions as to how hard female soldiers work as compared to male soldiers and whether women are ready for combat duty historically the military has provided minorities equal opportunity brenda I moore and schulyler c webb examine whether or not this is still perceived to be the case in today s navy they focus on different perceptions by women and men and by african american women in particular finally william o neill examines whether the post cold war downsized military will find women soldiers more or less important drawing upon social science research historical data and contemporary opinion surveys women in the military is a cutting edge assessment of a major gender issue in the united states it will be valuable to researchers in women s studies as well as those teaching courses in sociology history and military studies rita james simon is university professor in the school of public affairs and the washington college of law at american university she is the editor of gender issues and author of the american jury the insanity defense a critical assessment of law and policy in the post hinkley era with david aaronson adoption race and identity with howard alstein in the golden land a century of russian and soviet jewish immigration social science data and

supreme court decisions with rosemary erickson and abortion statutes policies and public attitudes the world over

Women's History in Global Perspective 2015-10-16 the american historical association s committee on women historians commissioned some of the pioneering figures in women s history to prepare essays in their respective areas of expertise this volume the second in a series of three collects their efforts as a counterpoint to the broad themes discussed in the first volume volume 2 is concerned with issues that have shaped the history of women in particular places and during particular eras it examines women in ancient civilizations including women in china japan and korea women and gender in south and south east asia medieval women women and gender in colonial latin america and the history of women in the us to 1865 authors included are sarah hughes and brady hughes susan mann barbara n ramusack judith m bennett ann twinam and kathleen brown incorporating essays from top scholars ranging over an abundance of regions dates and methodologies the three volumes of women s history in global perspective constitute an invaluable resource for anyone interested in a comprehensive overview on the latest in feminist scholarship

Representations of Black Women in the Media 1976 in 1920 we b du bois cited the damnation of women as linked to the devaluation of motherhood this dilemma he argues had a crushing blow on black women as they were forced into slavery black womanhood portrayed as hypersexual by nature became an enduring stereotype which did not coincide with the dignity of mother and wife this portrayal continues to reinforce negative stereotypes of black women in the media today this book highlights how black women have been negatively portrayed in the media focusing on the export nature of media and its ability to convey notions of blackness to the public it argues that media such as rap music videos television dramas reality television shows and newscasts create and affect expectations of black women exploring the role that racism misogyny and media play in the representation of black womanhood it provides a foundation for challenging contemporary media s portrayal of black women

Exploratory Study of Women in the Health Professions Schools 2018-01-16 without the support of american women victory in the revolutionary war would not have been possible they followed the continental army handling a range of jobs that were usually performed by men on the orders of general washington some were hired as nurses for 2 per month and one full ration per day disease was rampant and nurse mortality was high a few served with artillery units or masqueraded as men to fight in the ranks the author focuses on the many key roles women filled in the struggle for independence from farming to making saltpeter to spying Women in the American Revolution 2018-10-24 written in 1954 and published in 1981 this fascinating study remains authoritative as an account of a body of opinion about women s nature and role that was in vogue in america during the first half century after independence combining intellectual and social history this work was one of numerous attempts being made at the time to add depth to american social history dealing with women and women s experiences before feminism the author explores british sources of american thought as well presenting an early comparative history and offers a focus on religion to show how processes of change to ideas about women occurred

Changing Ideas about Women in the United States, 1776-1825 1984 this book is divided into two parts the first focuses on middle and upper class german women and the second on working class women the book addresses a range of important topics including growing up female in 19th century germany the impact of agrarian change on women s work and child care female political opposition in pre 1849 germany women s role in working class families in the 1890s women s education and reading habits and jewish women and assimilation

German Women in the Nineteenth Century 1986 this engaging narrative synthesizes more than 20 years of historical writing on the history of women in the american west twenty years after many western historians first turned their attention toward women women in the american west synthesizes the development of women s history in the region introduces readers to current thinking on the real experiences of western women and explores their influence on the course of expansion and development since the 19th century women in the american west offers vivid portrayals of women as pioneers prostitutes teachers disguised soldiers nurses entrepreneurs immigrants and ordinary citizens caught up in extraordinary times organized chronologically each chapter emphasizes important themes central to gender and women s history including women s mobility women at home wage labor immigration marriage political participation and involvement in wars at home and abroad with this revealing volume readers will see that women had a far more profound effect on the course of history in the western united states than is commonly thought

**Women on the Ice** 2008-04-03 looking at general trends and specific items such as life in a tenement women working overseas in world war i the production of cosmetics in the 1920s and new female immigration this atlas portrays the history of american women from a vivid geographical and demographic perspective in a variety of colorful maps and charts this important new work documents milestones in the evolution of the social and political rights of women coverage includes the rise of reform movements such as temperance women s suffrage and abolition during the 19th century and contraception abortion rights and the equal rights amendment in the 20th also includes 50 color maps

Women in the American West 2014-07-10 a revolutionary classic of feminist cinema criticism molly haskell s from reverence to rape remains as insightful searing and relevant as it was the day it was first published ranging across time and genres from the golden age of hollywood to films of the late twentieth century haskell analyzes images of women in movies the relationship between these images and the status of women in society the stars who fit these images or defied them and the attitudes of their directors this new edition features both a new foreword by new york times film critic manohla dargis and a new introduction from the author that discusses the book s reception and the evolution of her views

The Routledge Historical Atlas of Women in America 2016-10-05 the vietnam war was one of the most controversial wars in american history as many americans opposed the united states involvement in the war the draft which forced certain young men to fight in the war even if they didn t want to was particularly controversial at the time women were not allowed to fight in the military but many worked directly in the conflict as nurses and administrators through fascinating and poignant interviews this book tells the stories of six courageous women who served in the vietnam war as they narrate their fascinating and sometimes difficult memories of the conflict

From Reverence to Rape 2019-12-15 the book addresses the challenges faced by women on the two shores of the mediterranean from a multidisciplinary and interdisciplinary perspective while in the european union s eu mediterranean countries inequality is mostly linked to the social sphere and in particular refers to labour market dynamics in the middle east and northern africa mena area the situation is more complicated as the social and private spheres are blended and cultural and religious factors have a great impact on women autonomy and opportunities beyond the family perimeter the different challenges women are facing on the two sides of the mediterranean have sometimes originated incomprehension and misperceptions western supported policies devoted to fill the gap between men and women in the mena area have overlooked countries peculiarities simply exporting models tailored for eu s member states the eu s attempts to strengthen relations with the mediterranean countries on a multilevel basis have not rescued women from marginalisation nevertheless during the 2011 awakening women played an important role in activating civil society they are still considered as a key part of the fight against terrorism and radicalisation although in some countries their condition has worsened after secular regimes have been downturned the number of migrant women has increased and not differently from men they are looking for opportunities and better conditions of life while western media tend to present them in a stereotyped way either as traumatized victim and or as caring mother there are other misleading common places which need to be better conceptualised and understood such as the alleged incompatibility between islam and women rights unfortunately women s rights are still under attack even in european countries where they are considered consolidated the chapters in this book were originally published in a special issue of the journal of the balkans and near eastern studies

Women in the Mediterranean 1998-08-30 micro small and medium sized enterprises msmes play a significant role in economic development in pacific island countries and offer pathways to women s leadership and economic empowerment this report explores the state of knowledge on women s economic empowerment in the region focusing on women s entrepreneurship and msmes owned by women drawing on over 200 published papers and studies and 11 quantitative datasets it analyzes drivers of and barriers to women s economic empowerment it looks at business ownership formalization and expansion violence against women and girls and the effects of the covid 19 pandemic the report provides recommendations for research policy and programming

From Eve to Dawn: A History of Women in the World Volume IV 2018-10 women in world history brings together the most recent scholarship in women s and world history in a single volume covering the period from 1450 to the present enabling readers to understand women s relationship to world developments over the past five hundred years women have served the world as unfree people often forced to migrate as slaves trafficked sex workers and indentured laborers working off debts diseases have migrated through women s bodies and women themselves have deliberately spread religious belief and fervor as well as ideas they have been global authors soldiers and astronauts encircling the globe and moving far beyond it they have written classics in political and social thought and crafted literary and artistic works alongside others who were revolutionaries and reform minded activists historical scholarship has shown that there is virtually no part of the

world where women s presence is not manifest whether in archives oral testimonials personal papers the material record evidence of disease and famine myth and religious teachings and myriad other forms of documentation as these studies mount the idea of surveying women s past on a global basis becomes daunting this book aims to redress this situation and offer a synthetic world history of women in modern times

<u>LEAN IN([[[]]]]</u> 2019-12-12 the proposed sdn discusses the specific macro critical aspects of women s participation in the labor market and the constraints that prevent women from developing their full economic potential building on earlier fund analysis work undertaken by other organizations and academic research the sdn presents possible policies to overcome these obstacles in different types of countries
