studying acts may make readers feel as though they are stepping into a different world a world of miracles a world where god is alive and moving and doing remarkable things how can that world intersect ours how can the old story of people speaking in tongues and raising the dead come alive in a world where no one speaks in tongues and the dead stay dead how can acts be relevant to our lives and our church in acts the people who believe in jesus are filled with the holy spirit and set about the business of gathering a community they have to decide how wide their tent is going to be and whom they re going to embrace so they give themselves to the task of breaking down walls jesus is not just for jews they decide he s for everyone they launch out

spreading the word paul becomes the focal point of the story and he and his friends move about the ancient world telling all kinds of people the good news about jesus and his resurrection but there is opposition and paul is imprisoned he is faithful even there though taking a stand before the government authorities by the time the drama of acts ends paul might be confined but his message most assuredly is not the gospel has been unleashed throughout that entire part of the world gathering a community breaking down walls spreading the word taking a stand these four phrases organize this study of acts and guide readers through a world alive with god and god s mighty deeds and all of us who have drunk too deeply at the wells of reason and rationality will once again pause to wonder and stand rapt in awe

The Bible for Blockheads 1999

this is a precept bible study on the book of acts which means you will be looking at the bible one verse at a time in order to understand god s word so that you can apply it to your daily life the four gospels described jesus s life and ended with his death and resurrection the book of acts continues his story after the resurrection and follows the transition from the old covenant into the new covenant where the holy spirit came to live in the heart of the believer this is a ten week study and is the second of three studies on the book of acts acts the birth of the church 12 week study acts paul s three missionary journeys 10 week study acts paul s arrest trial and imprisonment 8 week study the first study covered the first twelve chapters of the book of acts which followed the birth of the church in jerusalem and its growth into

the surrounding areas outside of judea the holy spirit used ordinary people like peter barnabas paul stephen and philip to spread the good news and establish his church you will receive power when the holy spirit has come upon you and you shall be my witnesses both in jerusalem and in all judea and samaria and as far as the remotest part of the earth acts 1 8 nasb this second study begins with the church in antioch sending paul and barnabas to galatia to spread the good news of jesus christ the galatians were so hungry for the word of god they begged paul and barnabas to stay do you remember when you first accepted jesus as your savior how excited you were to read and hear the word of god that s how these galatian believers felt too after paul and barnabas returned from galatia the church in antioch sent paul on two more journeys that took him all the way to europe and back as he evangelized most of the mediterranean world paul faced opposition from kings and magicians and demons and more and was beaten and thrown in jail on numerous occasions he was harassed by judaizers who spread lies and followed him from city to city creating chaos they even hired thugs in thessalonica to give false witness against him then there were the greek philosophers who threw paul out of the athenian areopagus just for mentioning the resurrection there were heroes too such as lydia who started the first church in europe apollo who was a charismatic apologist and aquila and priscilla who were tentmakers and good friends with paul let s not forget timothy and titus whom paul considered his spiritual sons and doctor luke who traveled with paul on most of his journeys and wrote the book of acts paul performed many miracles like bringing tabitha and eutychus back to life and healing a crippled man in lystra then there were the men who tried to buy the holy spirit s power and the seven sons of sceva who tried to cast out demons without the power of the holy spirit these men learned quickly that the holy spirit was not for sale the holy spirit is not for sale because its free to all who repent and call on the name of the lord hold on

to your hat as we travel with paul and his companions on his three iconic journeys courageously planting churches and sharing the gospel throughout the mediterranean region

Òwhat really happened at pentecost could the apostles really

speaking languages they didn't know before. Ó Doesn't Paul have a warped view of marriage why would he teach that it is well for a man not to touch a woman? Ó Why are there only 144,000 redeemed from the earth that doesn't seem like very many? Ó These are just some of the many questions which thoughtful people ask and that Dr. Ralph helps the reader answer. Discovering the first century church in scripture tackles the many questions of scripture in a straightforward manner. This practical book provides readers with a thorough introduction to the content of the acts of the apostles, the letters of Paul and the book of Revelation. It acquaints readers with the methodologies and conclusions of modern biblical scholarship and challenges readers to integrate this knowledge into their own faith lives. It is an ideal text for juniors in high school, faith sharing groups, adult education, study and introductory college courses.

Paul the apostle is usually imagined as a man of prestige and power comfortably conversing with philosophers, seeking an audience with the emperor and composing compelling letters for Christians throughout the Mediterranean. Yet this portrait of a safe and conventional figure at the origins of Christianity airbrushes out many strange things about him. This volume repositions Paul as a man at the periphery of power, recovering an undomesticated apostle. It explores the ways that Paul has been domesticated in both popular and scholarly imagination by isolating selected crises of the apostle's life and legacy and examining the social and material dimensions of his world. These essays collectively chip away at the received image of his strength and status. The result is a series of glimpses of Paul that frame the apostle as surprisingly marginal and weak within Roman society. Published in honour of New Testament scholar Leif E. Vaage, recovering an undomesticated apostle presents Paul as a man operating from a

position of desperation making virtue out of necessity as he attempted to claw his way up in the dog eat dog world of the ancient mediterranean
