British Farmer's Magazine 1875

for nearly two decades alan trammell displayed an all around game as a fielder hitter and base runner that was rare for shortstops of his era with second baseman lou whitaker he formed one half of arguably the greatest double play combination in baseball history and was an integral piece of one of the signature teams of the 1980 s trammell was a world series hero and a central figure in one of the greatest pennant races in american league history from his early days as a multi sport prep star in the talent rich san diego area through a meteoric ascension up the minor league ladder and into the big leagues trammell won over doubters and overcame setbacks to become one of the top players in the detroit tigers history he joined ty cobb and al kaline as the only players to spend 20 seasons in detroit and later served an ill fated managerial stint with the franchise this exhaustively researched biography provides the first book length account of the life and career of one of the most well known figures in detroit sports history

History of Dearborn and Ohio Counties, Indiana 1885

impossible goals inevitable successes why are you struggling to grow your business when everyone else seems to be crushing their goals if you needed to triple revenue within the next three years would you know exactly how to do it doubling the size of your business tripling it even growing ten times larger isn t about magic it s not about privileges luck or working harder there s a template that the world s fastest growing companies follow to achieve and sustain much much faster growth from impossible to inevitable details the hypergrowth playbook of companies like the record breaking zenefits which skyrocketed from 1 million to 100 million in two years salesforce com the fastest growing multibillion dollar software company and echosign aka adobe document services which catapulted from 0 to 144 million in seven years whether you have a 1 billion or a 100 000 business you can use the same insights as these notable companies to learn what it really takes to break your own revenue records for instance one of the authors shows how he grew his income from 67 000 to 720 000 in four years while maintaining a 20 30 hour work week and welcoming a

new child nine times this book shows you how to surpass plateaus and get off of the up and down revenue rollercoaster by answering three questions about growing revenue to tens times its size why aren t you growing faster what does it take to get to hypergrowth how do you sustain growth this powerful effective book provides a template for you to kick off your biggest growth spurt yet this template includes the 7 ingredients of hypergrowth you re not ready to grow until you nail a niche overnight success is a fairy tale you re not going to be magically discovered you need sustainable systems that create predictable pipeline growth exposes your weaknesses and it will cause more problems than it solves until you make sales scalable it s hard to build a big business out of small deals figure out how to double your dealsize it ll take years longer than you want but don t quit too soon make sure you can do the time your people are renting not owning their jobs develop a culture of initiative not adequacy by embracing employee ownership employees you are too accepting of reality and too eager to quit you can define your destiny to make a difference for yourself and your company no matter what you do or where you work the authors take each ingredient and break it down into specific steps to guide you through implementation from impossible to inevitable helps you take impossible goals and turn them into inevitable successes for your business and team you will achieve success even bigger than you can imagine from where you re sitting today
