vaughan s vegetable cook book 4th edition by anonymous unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy the suggestions and recipes of this cook book have been gathering through the years from sources far and wide friends and neighbors have contributed personal experience has offered its lessons thrifty housekeepers in home departments of newspapers reports of lectures and recipes given to the newspaper world from teachers in the science of cookery have all added color or substance to what is herein written the recipes of the chicago record herald rich in material have been drawn on to a limited extent credit is given to an owner of a recipe if known if not it is given to the paper compound recipes have been made up from the study of several cook books the cook s own book the household practical housekeeping french and german recipes have all in some degree been a source of supply to this compilation we offer the result to you hoping it will fill a need and though a wee thing among its grown up sisters that it will find a place all its own in your esteem and good will the demand which has made a third edition now necessary is the best proof that the volume has found favor and the ever increasing love of gardening finds its definite expression in this direction as in many other new ones

chicago january 9th 1919 chinese cabbage pe tsai a few years ago this delicious vegetable was introduced into this country though it has been well known and extensively cultivated in china for a long time we have grown it at our trial grounds two seasons and have found it a novel easily grown delicious vegetable in shape it resembles a giant cos lettuce forming a head some fifteen inches long when nearing maturity the outer leaves should be tied up to blanch the heart and when cut two weeks later and the outer leaves removed appears as a grand oblong solid white head of crisp tender leaves we have noticed that late sowing i e july gives the largest and best heads sown earlier it runs to seed plant in rows 1 ft apart with 2 1 2 or 3 ft between the rows water and cultivate freely for winter use store same as cabbage keep from freezing uses the heads may be cut into convenient sizes and served like lettuce but is we think more delicious when cooked like cabbage and served up in any of the many ways that cabbage is sea kalean easily grown vegetable especially valuable when forced during the winter months to raise from seed sow in april lift the roots in fall and plant out the following spring in rows 2 ft apart sea kale needs well dug well manured soil and plenty of water we recommend planting roots 3 year old preferably cover the bed with light blanching material 7 or 8 ins deep and cut same as asparagus coal ashes is what is usually used for seakale it should be ready to cut in 6 or 8 weeks to get it early plant 3 roots in hills 4 ft apart place an old bucket or box over the hill and cover all over with fresh stable manure the heat from the manure will make cutting possible in 2 or 3 weeks 4 or 6 buckets or boxes may be used and transferred to other hills when first hills are through roots can be procured in the fall forcing inside plant 3 to 5 roots in an 8 in pot and invert a similar pot over it and cover the hole in the top place under bench in conservatory or greenhouse or in a warm basement where 50 or 60 degrees may be maintained water every day cutting should be made in from 18 to 21 days according to heat maintained the 18th century was a wealth of knowledge exploration and rapidly growing technology and expanding record keeping made possible by advances in the printing press in its determination to preserve the century of revolution gale initiated a revolution of its own digitization of epic proportions to preserve these invaluable works in the largest archive of its kind now for the first time these high quality digital copies of original 18th century manuscripts are available in print making them highly accessible to libraries undergraduate students and independent scholars medical theory and practice of the 1700s developed rapidly as is evidenced by the extensive
