a modern gothic thriller perfect for fans of dan brown s the da vinci code sent to explore a subterranean temple

revealed after a devastating earthquake in israel a trio of experts discover the mummified remains of a crucified girl but as they excavate a brutal attack sets them on the run and they re thrust in to a race to recover what was once preserved in the sarcophagus a book rumoured to have been written by christ s own hand hunted by a force of ancient evil dr erin granger and her two companions must follow the trail back thousands of years to a time when ungodly beasts hunted the dark spaces of the world and here they stumble across a secret sect within the vatican one whose existence was painted by rembrandt himself a shadowy order known simply as the sanguines

## ***The Blood of Roses 2015-11-26***

it s everywhere from the laws of citizenship to the detection of doping in sport from the books of the old testament and the acts of macbeth to the mudbloods of harry potter and the vampires of twilight blood fills our imagination just as fully as it fills our veins in this provocative exploration of the medical and social history of blood from ancient times to today award winning novelist lawrence hill considers blood s scientific cultural psychological and political aspects he charts how our understanding of blood has developed over the centuries sharing a close up view of william harvey s bloody dissection table at which the seventeenth century physician shocked his peers using a live dog to prove that blood circulates but blood isn t just about the body and hill also reveals how ideas about blood purity have spawned rules on who gets to belong to a family who enjoys the rights of citizenship and what defines a person s identity as hill powerfully and lyrically conveys blood counts in virtually every aspect of our being that matters

## **The Blood of the Lamb 2012-04-26**

miss harriet brandt daughter of a mad scientist and a voodoo priestess comes of age and leaves her home in jamaica for the first time travelling to europe beautiful and talented harriet will gain the affections of many of the men and women she meets and a bright future seems assured for her but there is something strange about harriet everyone she gets close to seems to sicken or die doctor phillips has a theory the blood of the vampire flows through harriet s veins and she is draining the life out of those she loves are the misfortunes that seem to follow harriet merely coincidence or is she really afflicted with the curse of the vampire marryat s novel is fascinating not only for its sensational plot and bizarre characters but also because of its engagement with many of the issues that haunted the late victorian imagination such as race heredity women s roles spiritualism and the occult amazon com

## **Blood of the Impaler 2007-04-01**

in a masterpiece of supernatural mystery and apocalyptic prophecy new york times bestselling authors james rollins and rebecca cantrell bring to a thunderous conclusion their epic trilogy of novels set between the worlds of shadow and light between salvation and damnation where the very gates of hell must be shattered to discover the true fate of humankind in blood infernal as an escalating scourge of grisly murders sweeps the globe archaeologist erin granger must decipher the truth behind an immortal prophecy foretold in the blood gospel a tome written by christ and lost for centuries the shackles of lucifer have been loosened and his chalice remains lost it will take the light of all three to forge the chalice anew and banish him again to his eternal darkness with the apocalypse looming erin must again join forces with army sergeant jordan stone and father rhun korza to search for a treasure lost for millennia but the prize has already fallen into the hands of their enemy a demon named legion before whom even the walls of the vatican will fall the search for the key to salvation will take erin and the others across centuries and around the world from the dusty shelves of the vatican s secret archives to lost medieval laboratories where ancient alchemies were employed to horrific ends all the while they are hunted besieged by creatures of uncanny skill and talent as clues are dug free from ancient underground chapels and found frozen in icy mountain caverns one that will destroy not only her but all she loves to protect the world erin must walk through the very gates of hell and face the darkest of enemies lucifer himself with the blood gospel the first novel in the order of the sanguines series james rollins and rebecca cantrell combined science myth and religion to introduce a breathtaking world where miracles hold new meaning and the fight for good over evil is far more complicated than we ever dreamed and now in this epic conclusion to the sanguines trilogy blood infernal they take us to the very pit of hell itself making us peer into the abyss and face our greatest fears to answer the ultimate question what price will we pay for true salvation
