when zoom worship emerged in britain during the covid lockdown of 2020 christians quickly turned to an art form a form of theater to deliver their worship it was a quest for immanence the very thing the reformation dealt with by the elevation of transcendence what an intriguing thought could john calvin with his dictum regarding piety have practiced zoom worship served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely at least in this calvin saw eye to eye with erasmus but what of luther he may have been a comfortable zoom worshiper with his views that religious artworks are neither here nor there and we may have them or not as we please little did the church realize that it would be a step back into the past because what you permit you promote the desire to use images was much more sinister than in medieval times as these were now images of ourselves regardless of the age the image reigns supreme what had caused the demise was it bereavement it could not be bereavement of god rather it was the loss of the social the bereavement of one another the need for one another had forced the hand of christians to turn to a practice completely untested zoom worship was born the genie is out and will never go back in but in the face of the now acceptable force of contemporary narcissism who cares
