this is the untold story of one of the most lethal and successful soldiers of the second world war a highly decorated hero as well as a self confessed rogue in the tank war in the desert of north africa mister major geoff as he came to be known quickly showed himself a soldier of superb athleticism unwavering will to win and almost superhuman instincts when it came to survival and outwitting the enemy almost incredibly he won the military cross on his very first day in action he fought alongside the sas in its early days and was with them while they were forging the ruthless fighting techniques that have made them feared throughout the world he played a decisive role in the greek resistance to german occupation and was praised by churchill when he held up two german divisions more or less single handedly while in greece he also became involved in some of the dirtiest hand to hand fighting of the war to the men with whom he fought shoulder to shoulder he was saint geoff to his enemies he was the devil incarnate a man who would stop at absolutely nothing and to his critics among the partisans he was a womanizer more interested in enjoying himself than killing the enemy this is an honest account of winning the war not by fair play but by being more ruthless than your enemy but maybe what is even more extraordinary than his soldiering its predatory ruthlessness and amorality is the frank account of sexual adventuring that went with it this is how the dogs of war behave when they are let off the leash

hand fighting of the war to the men with whom he fought shoulder to shoulder he was saint geoff to his enemies he was the devil incarnate a man who would stop at absolutely nothing and to his critics among the partisans he was a womanizer more interested in enjoying himself than killing the enemy this is an honest account of winning the war not by fair play but by being more ruthless than your enemy but maybe what is even more extraordinary than his soldiering its predatory ruthlessness and amorality is the frank account of sexual adventuring that went with it this is how the dogs of war really behave when they are let off the leash thrilling and even classic parachuted as a saboteur into greece where he stayed for over a year doing heroic mischief against the nazis and not exactly improving the morals of the local greek women there is no doubting that this is the record of a hero albeit one in the flashman mode a n wilson reader s digest major geoff is a brave blithe adventurer in ruthless resourceful action as opportunistic and vigorous in the theatre of war as in the bedroom times former army officer roger field pieces together major geoff s unpublished journals and letters in this uncut version of world war ii most riveting of all is the major s account of the destruction of the asopos viaduct in occupied greece this is boys own stuff at its best daily mail war heroes come in all shapes and sizes but i ve rarely come across any as charismatic as geoffrey gordon creed a maverick and prodigious womaniser it s no surprise to learn he was a friend of ian fleming and was reputedly one of the models for james bond mail on sunday

an insightful and passionately written book explaining why a return to enlightenment ideals is good for the world the greatest challenges facing humankind according to deirdre mccloskey are poverty and tyranny both of which hold people back arguing for a return to true liberal values this engaging and accessible book develops defends and demonstrates how embracing the ideas first espoused by eighteenth century philosophers like locke smith voltaire and wollstonecraft is good for everyone with her trademark wit and deep understanding mccloskey shows how the adoption of enlightenment ideals of liberalism has propelled the freedom and prosperity that define the quality of a full life in her view liberalism leads to equality but equality does not necessarily lead to liberalism liberalism is an optimistic philosophy that depends on the power of rhetoric rather than coercion and on ethics free speech and facts in order to thrive
