A 9th grade class is transported to an island and forced to fight each other to the death on a reality television program. Noah knows how to return to the story world and he's hoping Aoba will meet him there despite her fear of that terrifying place. She can't deny the simple truth she wants to go back as night falls. The fight for survival has already begun. Shocked by their extreme situation, the students of Daitoa Academy resign themselves to what they'll have to do to get off the island. Some students want to cooperate, but others fall back on their own merciless killer instincts. The squad leaders begin to show their leadership in different ways, looking for a way to survive. But the twisted leader of Squad 2 may be the biggest threat to his own squad. Viz Media
