bilingual edition english kyrgyz am i small tamia is not sure and keeps asking various animals that she meets on her journey eventually she finds the surprising answer reviews immensely enjoyable foreword clarion reviews for children who enjoy lingering over pages full of magical creatures and whimsical details told in simple and engaging words and imaginative pictures kirkus reviews a fantastic book that has enchanted

me amazon customer review we are in love with this book as an artist i love love love the art in this book i think its not only beautiful but perfect for children my son spent a lot of time just studying every colorful page we read it twice in the first sitting because he was so happy he s not yet 1 so getting him to sit still for story time is tough and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages i highly recommend this book get it get it get it amazon customer review written in a very simple way but with a profound message for both adults and kids amazon customer review i loved it lots of repetition to help lil ones get used to structure and words many different words being used to help them improve their vocabulary or pick the best word most importantly it sends a good message about how being unique and different is good i strongly suggest you check this book out esl carissa readers will emerge from this book feeling slightly more confident about themselves whatever their size foreword clarion reviews
