private party seller and get the best price and or the best interest rates and or the best terms and or to insure a quality vehicle that will serve you well this very short book will give you the absolute confidence from the beginning to the end of the car buying process of how to go out and purchase a vehicle and save thousands of dollars and receive a quality vehicle that will serve you well this book is absolutely the way to minimize the price you pay for a vehicle and an absolute way to minimize the interest rate and an absolute way to get closer to the terms you want and an absolute way to insure a quality vehicle in any car buying deal if you do not know these concepts and car buying tips you will certainly pay more for the price of the vehicle and or the interest rate on the vehicle will be higher and or the other terms will certainly work against you and you could possibly buy a dud bad vehicle further this book is short and straight to the point this book is also very simple to follow and all the concepts are disclosed in a way that is manageable so you can master them easily and quickly and commit them to your memory or strategy and go into the car buying process with extreme confidence and get a great deal by now we all are aware that dealers dealerships sales people and sellers of vehicle s make more when they sale the vehicle at a higher price there is no secret that the seller s whole motivation is to sell you the vehicle at the highest price possible and or at the highest interest rates possible and or on the seller s terms it is a very common practice in dealerships that the higher the sales person sales the vehicle for the higher the sales person s commission the higher the interest rate the higher the sales person s commission the more the sales person can convince you to sign the contract closer to his terms the higher the sales person s commission therefore it should not be a surprise to you that you need to gain the most knowledge you can to offset the sales person s strategies and tactics and save yourself some money money that you can use for other things this is just common sense the concepts and the explanations of these concepts will certainly put you at a better advantage and keep the sales person from eating you alive these concepts are a must know this book entails a very concise and short but thorough straight to the point step by step guide on how to successfully get a good deal on a vehicle directly below are 12 simple and quick must know concepts to understand to be able to get the best price deal and or the best interest rates and or the best terms and or to insure you receive a quality used vehicle please read the concepts below then continue reading and the following pages will explain and expound on each concept and what each means in detail so you understand each 1 trusting the seller is a big key if at all possible make sure the seller is someone you can trust if the seller is someone you do not trust it may be in your best interest not to buy the used vehicle in some circumstances this is key 2 make sure the vehicle is what you need and or want in your own mind before starting the negotiating process 3 make sure the car is solid and in good mechanical condition before you start the negotiating process 4 have other vehicles that you are also comparing or at least act as though you have other vehicles that you are comparing 5 do not expose how much money or financing you have too soon this d profiling over 150 of the most popular models of used cars trucks suvs and minivans from 1991 to the present this guide provides tips for choosing the right car for the right price what to ask for and what to avoid how to seal the deal and more few car books cover the used car market yet more and more consumers are purchasing used cars over new ones this handy guide will aid in making an educated decision to separate the winners from the losers includes profiles of over 200 car models sold over the past two decades covering more than two hundred popular domestic and foreign models from 1986 to 1996 a used car buyer s guide lists prices ratings and important facts about each model while offering tips on warranties loans dealers and more original this all encompassing guide to used cars profiles over 300 popular models sold over the past decade including photographs descriptions year to year changes driving impressions specs prices and recall histories also provided are tips on choosing the right car checking it for problems getting financing evaluation of warranty coverage and much more including a list of best bets now published quarterly the consumer edition of the kelley blue book used car guide includes currently trade in values ## ***How to Buy a Used Car 2017-08-29***

Do not buy a used vehicle until you have read this very short and simple book. These strategies and tactics are easy to remember and can be used for a lifetime. Introduction, overview, and what you will learn in this book: get the best price and/or the best payment terms and/or the best interest rates and/or the best contract terms and/or a great warranty and/or insure you get a quality vehicle that will serve you well for a long time. In this book are some simple and quick must-know concepts for a car buyer to understand to be able to purchase a vehicle from a dealer and/or a private party seller to get the best price and/or to get the best payment terms and/or to get the best interest rates and/or to get the best contract terms and/or to get a great warranty and/or to insure a quality vehicle that will serve you well for a long time. This very short book will give you the absolute confidence from the beginning to the end of the car buying process of how to go out and purchase a vehicle and save thousands of dollars and receive a quality vehicle that will serve you well for a long time. This book is absolutely the way to minimize the price you pay for a vehicle and/or how to get the best payment terms and an absolute way to minimize the interest rate and an absolute way to get closer to the terms you want and an absolute way to get a great warranty and an absolute way to insure a quality vehicle in any car buying deal. If you do not know these concepts and car buying tips, you will certainly pay more for the price of the vehicle and/or payments will be higher and/or the interest rate on the vehicle will be higher and/or the other terms will certainly work against you and/or you will not get a warranty and/or you could possibly buy a problem vehicle. Further, this book is short and straight to the point. This book is also very simple to follow and all the concepts are disclosed in a way that is manageable so you can master them easily and quickly and commit them to your memory or strategy and go into the car buying process with extreme confidence and get a great deal. By now we all are aware that dealers, dealerships, sales people, and sellers of vehicles make more when they sell the vehicle at a higher price. There is no secret that the seller's whole motivation is to sell you the vehicle at the highest price possible and/or at the highest interest rates possible and/or on the seller's terms. It is a very common practice in dealerships that the higher the sales person sells the vehicle for, the higher the sales person's commission, the higher the interest rate, the higher the sales person's commission, the more the sales person can convince you to sign the contract closer to his terms, the higher the sales person's commission. Therefore, it should not be a surprise to you that you need to gain the most knowledge you can to offset the sales person's strategies and tactics and save yourself some money. Money that you can use for other things. This is just common sense. The concepts and the explanations of these concepts will certainly put you at a better advantage and keep the sales person from eating you alive. These concepts are a must-know. This book entails a very concise and short but thorough, straight-to-the-point, step-by-step guide on how to successfully get a good deal on a vehicle. Directly below are 12 simple and quick must-know concepts to understand to be able to get the best price deal and/or payment terms and/or the best interest rates and/or the best

contract terms and or to insure you receive a quality used vehicle again these strategies and tactics are easy to remember and can be used for a lifetime please read the concepts below then continue reading and the following pages will explain and expound on each concept and what each means in detail so you understand each 1 trusting the seller is a big key if at all possible make sure
