vols for 1963 include as pt 2 of the jan issue medical subject headings irish children s literature and culture looks critically at irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with major genres forms and issues including the gothic the speculative picturebooks ethnicity and globalization it contextualizes modern irish children s literature in relation to irish mythology and earlier writings as well as in relation to irish writing for adults thereby demonstrating the complexity of this fascinating area what constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an irish context until recently there was only a slight body of work that could be classified as irish children s literature in comparison with ireland s contribution to adult literature in the twentieth century the contributors to the volume examine a range of texts in relation to contemporary literary and cultural theory and children s literature internationally raising provocative questions about the future of the topic irish children s literature and culture is essential reading for those interested in irish literature culture sociology childhood and children s literature valerie coghlan church of ireland college of education dublin is a librarian 1875 the seventh volume of this new definitive edition of lewis and clark s journals begins as the expedition turns homeward on march 23 1806 the corps of discovery left fort clatsop their winter quarters on the pacific coast for the long return journey to the united states although they were largely retracing their outbound route their journals were still filled with descriptions of the country and its people and new discoveries were yet to be made they departed from the columbia river at one point to take an overland shortcut between the walla walla and snake rivers and reached the latter a little below the mouth of the clearwater detained by winter snows at the edge of the rockies the corps camped among the friendly nez perce indians here in modern west central idaho the captains attended to sick indians and continued their scientific studies while others in the party passed the time hunting and socializing by june 9 the captains decided to resume their move eastward according to the nez perces the snow would not be gone from the mountains along the lolo trail until early july but the party looking homeward left the clearwater valley for the flats above the river incorporating substantial new scholarship concerning all aspects of the expedition from indian languages to plants and animals to details of geography and history this edition greatly expands and updates the annotation of the last one published in 1904 5 since the time of columbus explorers dreamed of a water passage across the north american continent president thomas jefferson shared this dream he conceived the corps of discovery to travel up the missouri river to the rocky mountains and westward along possible river routes to the pacific ocean meriwether lewis and william clark led this expedition of 1804 6 along the way they filled hundreds of notebook pages with observations of the geography indian tribes and natural history of the trans mississippi west after a rainy winter help for young readers who are struggling and for those with english as a second language it is believed that twenty or more percent of new zealand children and many from other countries particularly boys are leaving formal education sadly deficient in the literary skills essential for normal living without being able to read road directions or the instructions on a bottle of

medicine part one of this book and the accompanying practice pages in keys to reading has proved with regular use to be of great assistance to many young readers who are struggling to overcome a setback in their progress and has enabled them to become confident and fluent readers for parents who are seeking desperately for clear guidance as to how they may help their children this program will provide a simple and effective plan to follow part two provides a simple outline of english grammar both for students who need some help in an easily understood form and for those with english as a second language there is also help with written expression spelling and vocabulary an extensive list of idioms should prove especially useful to those with english as a second language brian elder is a graduate of otago university with a ba degree majoring in english and trained as a teacher at dunedin teachers college he has taught all primary school grades with most teaching at the intermediate level and was for many years a deputy principal at an intermediate school apart from teaching his main interest has been organizing and leading christian holiday camps for pre teens spending thirty years during school vacations as camp director of christian youth camps brian has always had a real concern for disadvantaged children and the keys to reading program has arisen from a perceived need to provide some practical help for boys and girls who have been struggling in this area
