1896

prior to the great klondike gold rush of 1897 travelers returned from alaska s inside passage with fascinating accounts of its wonders historian robert campbell demonstrates how these tourists served as shock troops of the gold rush by portraying alaska as a last west ripe for american conquest

Catalogue of the Public Documents of the [the Fifty-third] Congress [to the 76th Congress] and of All Departments of the Government of the United States

1974

the most familiar strain of this debate to us today is formalism which emphasized purity in art and culminated in the writing of the influential late modern critic clement greenberg the other critical position he contends is not as familiar to us today partly because it was so overshadowed by formalist thought in the postwar period this position emphasized the importance of experience over formal purity and is evident in the writing of greenberg s rival harold rosenberg as well as in a number of american writers and critics from the first half of the century struggle over the modern reconstitutes this neglected yet important dimension of the avant garde debate in american art criticism decade by decade jacket

Australian Joint Copying Project Handbook

1948

in accordance with article 102 of the charter and the relevant general assembly resolutions every treaty and international agreement registered or filed and recorded with the secretariat since 1946 is published in the united nations treaty series at present the collection includes about 30 000 treaties reproduced in their authentic languages together with translations into english and french as necessary the treaty series where treaties are published in the chronological order of registration also provides details about their subsequent history i e participation in a treaty reservations amendments termination etc comprehensive indices covering 50 volume lots are published separately
