Biker Baby Daddy 2013-03 he's a stranger, a killer, and my biker baby daddy. The second our eyes met, I knew I would let him take me. I didn't know his name or his past, but I knew I belonged to him. Now our tryst was perfect until it all came tumbling down. Now I've got his baby in my belly and his name at the top of my hit list. Our names were a secret, so was everything else about us: what we did, where we lived, who we worked for. All that mattered was the sex. Anonymous, hot, addictive. Submitting to him was the best drug I'd ever tasted, but

the delicious mystery can only last so long especially now that there s a baby in the mix i should ve known better than to let the biker take me unprotected i m a mafia princess for god s sake but the danger was half the thrill and when our luck runs out it runs out in a hurry because the biker isn t just the father of the baby in my womb he s also the man i have to kill biker baby daddy is a full length standalone bad boy baby heist romance includes your fill of hot sex thrilling action and heas that will melt your heart
