The Musical Times and Singing-class Circular 1875

the wonderful sound of the group of boy vocalists called libera who have sung all around the world in front of presidents the pope and several thousand fans and who frequently appear on television and radio is explored in this new book this is the story of how it all started from a small church choir in norbury south london in the 1970 s through to angel voices during the 1980 s and 1990 s to what they are today as libera under the guidance of the composer robert prizeman known also for his role within the bbc s long running religious television show songs of praise the reader will learn how libera has grown to become a household name across the world complete with photographs this book will be hard to put down as the libera story is told in full

European Music Catalogue 1987

in this abridgment of his monumental study berlioz and the romantic century jacques barzun recounts the events and extraordinary achievements of the great composer s life against the background of the romantic era as the author eloquently demonstrates berlioz was an archetype whose destiny was the story of an age the incarnation of an artistic style and a historical spirit in order to understand the nineteenth century it is essential to understand berlioz notes w h auden and in order to understand berlioz it is essential to read professor barzun

The Musical Standard 1875

chronicling the last radical architectural group of the twentieth century natØ narrative architecture today who emerged from the architectural association at the start of the 1980s this book explores the group s work which echoed a wider artistic and literary culture that drew on the specific political social and physical condition of 1980s london it traces nat s identification with a particular stream of post punk postmodern expression a celebration of the abject an aesthetic of entropy and a do it yourself provisionality natØ has most often been documented in reference to nigel coates the instigator of natØ which has led to a one sided one dimensional record of nat s place in architectural history this book sets out a more detailed contextual history of natØ told through photographs drawings and ephemera restoring a truer polyvocal narrative of the group s ethos and development

Who's who in Music and Musicians' International Directory 1937

annotation nicolas slonimsky 1894 1995 was an influential and celebrated writer on music born in st petersburg russia in 1894 in his 101 years he taught and coached music conducted the premieres of several 20th century masterpieces composed works for piano and voice and oversaw the 5th 8th editions of the classicbaker s biographical dictionary of musicians beginning in 1926 slonimsky resided in the united states from his arrival he wrote provocative articles on contemporary music and musicians many of whom were his personal friends working as a freelance author he built a large file of reviews articles and even manuscripts for books that were never published this is the first volume of a 4 volume collection on the best of this material
