10-Minute CBT 2011-05-01 it is well established that cognitive behavioral therapy cbt is a rich and effective tool for treating a range of anxiety and mood disorders and behavioral disturbances most clinicians however have not been formally trained in how to administer cbt and integrating one of the many available manuals detailing week by week protocols into their individual clinical practices is a daunting task whether brief interventions are desired for use in medication visits or whether key elements of cbt are needed for use in an eclectic treatment practice clear instruction is needed on how to improve patient outcomes by adapting key components of cognitive behavioral interventions 10 minute cbt provides such guidance with a clear and straightforward account of the principles of cbt that fit into the realities of current practice for clinicians from any interventional perspective instead of offering a full regimented program of treatment this book provides the philosophy and elements of cbt so that select targeted interventions can be integrated into already established clinical practice this book offers a comprehensive overview of disorder specific strategies and core principles of cbt as well as the empirical base that supports these principles other features include therapist patient dialogues an intervention troubleshooting guide and treatment principle boxes that provide rapid identification of key concepts written by a team of experts representing a range of practice formats this book offers tools that will make cbt accessible to and

employable by all practitioners who wish to incorporate elements of cbt into their treatment

10-Minute Talks 2008-09-02 sometimes you don't have their attention for very long whether you've planned for a short message or your program has run long a ten minute talk is sometimes all you have space for in your youth ministry so make sure you make it ten minutes that really count if you need to communicate something meaningful in just a little time 10 minute talks has just what you need more than two dozen ready to go story based talks with talks for spiritual growth targeted at your christian students and outreach talks perfect for any teenager you'll be prepared to give them a bite of truth that they can walk away remembering following the method jesus used most often these 10 minute talks give you stories that can impact students with one simple point each talk gives you the tools you need to make it count and the flexibility to make it work for your context along with each topic and title you'll find the big idea scripture the story the transition statement application closing don't get caught with nothing to say or too much to say in the time you've got get 10 minute talks and get a meaningful message across quickly

The 10-Minute Life Coach 2009-07-23 fiona harrold's be your own life coach had great success with its powerfully inspiring message to take control of our lives and achieve our wildest dreams now she shows us how in just 10 minutes each day we can accelerate towards attaining our goals follow her winning strategies and believe in yourself 100 per cent propel yourself into taking action turn into a natural optimist live a bigger more interesting life fiona's is the winning formula to open the door to life's vast opportunities believe in yourself and others will too

The New Coach's Guide to Coaching Youth Soccer 2015-08-04 expert advice to make youth soccer more fun for players parents and coaches robert koger coached youth soccer for over twenty five years for the thousands of new coaches taking over teams every year the advice he offers will make their lives easier and their teams better koger covers everything a new coach needs to know the rules of the game the layout of the field the logistics of finding playing space setting up practices and even handling pesky problem parents if you want to understand the offsides rule clarify what goalkeepers can and can't do inside the penalty box need advice on conditioning and training players you'll find it here designed specifically to help coaches work with young players ages four through eight koger's goal is to make the game fun for kids parents and coaches with fourteen million american children playing in organized leagues and more new coaches needed every year this book is essential and helpful reading for anyone who chooses to take up the whistle and manage a team skyhorse publishing as well as our sports publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team whether you are a new york yankees fan or hail from red sox nation whether you are a die hard green bay packers or dallas cowboys fan whether you root for the kentucky wildcats louisville cardinals ucla bruins or kansas jayhawks whether you route for the boston bruins toronto maple leafs montreal canadiens or los angeles kings we have a book for you while not every title we publish becomes a

Lifestyle Wellness Coaching-3rd Edition 2019 lifestyle wellness coaching third edition with resource offers an evidence based and systematic coaching methodology that professionals can use to help clients achieve long term overall wellness by addressing health fitness and lifestyle

The Gap and The Gain 2021-10-19 as he did in who not how dr benjamin hardy shares one of dan sullivan s simple yet profound teachings that until now has been known only to his strategic coach clients unsuccessful people focus on the gap but successful people focus on the gain t his one simple concept is a masterclass on positive psychology healthy relationships mental well being and high performance everything that psychologists know about how to create a high functioning and successful person can be achieved using the gap and the gain dr benjamin hardy most people especially highly ambitious people are unhappy because of how they measure their progress we all have an ideal a moving target that is always out of reach when we measure ourselves against that ideal we re in the gap however when we measure ourselves against our previous selves we re in the gain that is where the gap and the gain concept comes in it was developed by legendary entrepreneur coach dan sullivan and is based on his work with tens of thousands of successful entrepreneurs when dan s coaching clients periodically take stock of all that they ve accomplished both personally and professionally they are often shocked at how much they have actually achieved they weren t able to appreciate their progress because no matter how much they were getting done they were usually measuring themselves against their ideals or goals in this book you will learn that measuring your current self vs your former self has enormous psychological benefits and that s really the key to this deceptively simple yet multi layered concept that will have you feeling good feeling grateful and feeling like you are making progress even when times are tough which will in turn bolster motivation confidence and future success if you re finding that happiness eludes you no matter how much you ve achieved then learning this easy mindset shift will set you on a life changing path to greater fulfillment and success
