Rethinking Gender in Popular Culture in the 21st Century 2011-01-01 this book explores popular culture representations of gender offering a rich and accessible discussion of masculinities and femininities in 21st century popular media it brings together contributors from various european countries to investigate the workings of gender in contemporary pop culture products in a brave original and rigorous way this volume is both an academic proposal and an exercise of commitment to a serious analysis of some of the media that influence us most in our everyday lives representation matters and the position we take as viewers or consumers during reception matters even more

The Gospel According to Twilight 2018-10-30 the twilight saga has become one of the most successful fiction series ever written with more than one hundred million copies in print and several blockbuster films despite the tremendous commercial success twilight has generated few readers have analyzed its theological teachings or the messages stephenie meyer might be sending to women and teenage girls this book offers both a feminist critique of twilight and a theological review of the stories ideas about salvation heaven and hell power reconciliation resurrection and organized religion elaine heath writes in an accessible voice calling attention to both the good news of twilight s theology and the bad news of its gender stereotypes and depictions of violence against women the book includes questions for youth and adult groups or for classroom discussions

The Vampire 2023-06-28 an authoritative new history of the vampire two hundred years after it first appeared on the literary scene published to mark the bicentenary of john polidori s publication of the vampyre nick groom s detailed new account illuminates the complex history of the iconic creature the vampire first came to public prominence in the early eighteenth century when enlightenment science collided with eastern european folklore and apparently verified outbreaks of vampirism capturing the attention of medical researchers political commentators social theorists theologians and philosophers groom accordingly traces the vampire from its role as a monster embodying humankind s fears to that of an unlikely hero for the marginalized and excluded in the twenty first century drawing on literary and artistic representations as well as medical forensic empirical and sociopolitical perspectives this rich and eerie history presents the vampire as a strikingly complex being that has been used to express the traumas and contradictions of the human condition

Horror on the Stage 2009-03-03 there are numerous publications about the horror genre in film and television but none that provide information about horror on a legitimate stage until now this book highlights the most terrifying moments in theater history from classical plays like aeschylus prometheus bound and euripides medea to the violence of the grand guignol company productions in 18th century france and present day productions like stephen sondheim s musical sweeney todd stephen king s carrie and dark 21st century plays by clive barker and conor mcpherson the book compiles the history and behind the scenes tales surrounding stage productions about monsters hauntings and horrors both historical and imagined included are the nightmarish adaptations of popular writings from edgar allan poe oscar wilde h g wells henry james arthur conan doyle and others as well as plays starring popular characters like frankenstein dr jekyll and mr hyde the invisible man the phantom of the opera and the woman in black more than 500 plays are documented accompanied by dozens of photographs entries include plot synopses existing production data and evaluations by critics and scholars

How To Marry a Millionaire Vampire 2019-11-08 so what if he s a bit older and usually regards a human female as dinner not a dinner date yes roman draganesti is a vampire but a vampire who lost one of his fangs sinking his teeth into something he shouldn t have now he has one night to find a dentist before his natural healing abilities close the wound leaving him a lop sided eater for all eternity things aren t going well for shanna whelan either after witnessing a gruesome murder by the russian mafia she s next on their hit list and her career as a dentist appears to be on a downward spiral because she s afraid of blood when roman rescues her from an assassination attempt she

seen before in print this detailed history of this iconic and much loved jet fighter will appeal to all aviation fans bond has done a great job with this book with many personal accounts of the people that were involved every day in the life of the meteor highly recommended international plastic modelers society usa

Screening Twilight 2011-07-15 the twilight saga a series of five films adapted from stephanie meyer s four vampire novels has been a sensation both at the box office and through the attention it has won from its predominantly teenaged fans this series has also been the subject of criticism and sometimes derision often from critics and on occasion even from fans however it also offers rich opportunities for analytic and critical attention which the contributors to screening twilight demonstrate with energy and style through examining twilight the book unpacks how this popular group of films work as cinematic texts what they have to say about cinema and culture today and how fans may seek to re read or subvert these messages the chapters address twilight in the context of the vampire and myth in terms of genre and reception identity gender and sexuality and through re viewing the series fandom screening twilight is also a revelation of how a popular cinematic phenomenon like twilight rewards close attention from contemporary critical scholars of cinema and culture

The Farmer's Magazine 2009-09-08 the vampire s bedside companion is a riveting compendium of new facts and fiction on the undying theme of vampirism here is a new theory on the genesis of dracula surely literature s most compelling and macabre figure thoughts on allusions to vampirism in wuthering heights first hand experience of vampires in hampstead london publication for the first time of the story of a fifteenth century vampire protection medallion that montague summers presented to the author an account by a professor of english at dalhousie university of a visit to castle dracula in transylvania the vampire s bedside companion contains these and a wealth of other hitherto unpublished material on a subject that is of enduring interest the vampire legend to many people vampires are creatures only of legend and fantasy with no reality outside the pages of books others who have studied the folklore of many countries and the continuing reports of vampirism maintain that there is extensive evidence not only that vampires once existed but that in fact they still do exist in this fascinating book the author himself an acknowledged expert on the occult presents true accounts of vampire infestation in england america ireland hungary china and france records of vampires and vampirism are he claims as old as the world and as recent as yesterday four new existing and authentic vampire fictional stories by peter allan crispin derby richard howard and james turner complete this compelling companion for

dark nights solitude and howling winds illustrated with my striking photographs the vampire's bedside companion also contains original and evocative drawings by geoffrey bourne taylor it is a must for all students of the occult and every reader of the macabre

The New Vampire's Handbook 1867 interest in the vegan studies field continues to grow as veganism has become increasingly visible via celebrity endorsements and universally acknowledged health benefits and veganism and vegan characters are increasingly present in works of art and literature through a vegan studies lens broadens the scope of vegan studies by engaging in the mainstream discourse found in a wide variety of contemporary works of literature popular cultural representations advertising and news media veganism is a practice that allows for environmentally responsible consumer choices that are viewed particularly in the west as oppositional to an economy that is largely dependent upon big agriculture this groundbreaking collection exposes this disruption critiques it and offers a new roadmap for navigating and reimaging popular culture representations on veganism these essays engage a wide variety of political historical and cultural issues including contemporary political and social circumstances emergent veganism in eastern europe climate change and the syrian refugee crisis among other topics through a vegan studies lens significantly furthers the conversation of what a vegan studies perspective can be and illustrates why it should be an integral part of cultural studies and critical theory vegan studies is inclusive refusing to ignore the displacement abuse and mistreatment of nonhuman animals it also looks to ignite conversations about cultural oppression

British Farmer's Magazine 1975 the authors of combat codes have painstakingly researched the codes used by the raf to replace unit markings during world war ii in order to attempt to confuse the enemy

The Vampire's Bedside Companion 2019-02-20 an ingenious reappraisal of a classic text dracula's crypt presents stoker's novel as a subtly ironic commentary on england's preoccupation with racial purity probing psychobiographical political and cultural elements of stoker's background and milieu joseph valente distinguishes stoker's viewpoint from that of his virulently racist hypermasculine vampire hunters showing how the author's dual anglo celtic heritage and uncertain status as an irish parvenu among london's theatrical elite led him to espouse a progressive racial ideology at odds with the dominant anglo saxon supremacism in the light of stoker's experience the shabby genteel count dracula can be seen as a doppelganger an ambiguous figure who is at once the blood conscious landed aristocrat and the bloodthirsty foreign invader book jacket

Through a Vegan Studies Lens 2008-07-15 for over two decades television has served as the foremost guide to television studies offering readers an in depth understanding of how television programs and commercials are made and how they function as producers of meaning author jeremy g butler shows the ways in which camera style lighting set design editing and sound combine to produce meanings that viewers take away from their television experience highlights of the fifth edition include an entirely new chapter by amanda d lotz on television in the contemporary digital media environment discussions integrated throughout on the latest developments in screen culture during the on demand era including the impact of binge watching and the proliferation of screens smartphones tablets computer monitors etc updates on the effects of new digital technologies on tv style

Combat Codes 2002 virginity is of concern here that is its utter messiness at once valuable and detrimental normative and deviant undesirable and enviable virginity and its loss hold tremendous cultural significance for many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the g spot we know it's there it's just we have a harder time finding it of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go so what if we agree to forget the hymen all together might we start to see the instability of terms like untouched pure or innocent might we question the act of sex the very notion of relational sexuality after all for many people it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout virgin envy is a collection of essays that look past the vestal virgins and beyond joan of arc from medieval to present day literature the output of hbo bollywood and the films of abdellah taïa or derek jarman to the virginity testing of politically

active women in tahrir square the writers here explore the concept of virginity in today s world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires

Dracula's Crypt 2018-02-05 tearing her clothes into two halves he asked who did these to you who hurt you his voice rang through her ears filling the room with anger which emitted with the desire to kill and truly he was going to rip who so ever that had caused these injury on her bella speak his voice calm but threatening when he mentioned her name she looked up at him immediately the sparks running through her body as he covered her body with his preventing the other occupants who was standing to see what belonged to him bella watched as they shivered with fear as her mate the vampire king growled with anger him he hurt me bella said and with a loud growl blade ordered bring me a dagger blade shouted it was not a request it was an order bella manchor was the omega to the air winder pack she was not just an omega she was a wolf less werewolf her life was difficult but became like hell when she got mated to the most wicked arrogant deadly and vile alpha alpha lucas who used her for his sexual pleasures and afterwards rejected her but as fate may have it she ran away from the pack running into the hands of the vampires blade hemlock is the vampire king he is known to be ruthless dangerous dark no regard to any law the rogues attacking on the vampires in their lands then he sent few of the best men to guard the land where the rogues mostly attacked unfortunately a girl a werewolf ran into their lands and his men took her as a defiler but she was not just a werewolf defiler who had come running into his land it was his mate his long awaited mate has ran into his hands hurt with so much injuries on her body half dead would bella accept her mate after what had been done to her would she want to be loved again by her new vampire mate
