It's time to make both teaching English and learning English fun and engaging again. Be a successful and effective teacher with *ESL Classroom Games*, a book that is jam-packed with 180 challenging English language games and activities. The book features a wide variety of reading, writing, speaking, and listening games and activities which are suitable for teen and adult learners alike. You will enhance your teaching arsenal with focus on warm-up, repetition, and drilling. Team-based spelling and grammar, speaking and pronunciation, memory, and concentration, turn-based, and one-on-one games. It's broken down into games for beginner, intermediate, and advanced level students. The activities are specifically designed to improve students' motivation, confidence, enjoyment, language retention, and have been proven to get better results. The best part is that as the students focus on playing, you will be presented with the perfect opportunity to drill and recap grammar and vocabulary from your lesson, increase student enthusiasm, and participation. Well, now you can boost the energy of your classroom and get all of the students active and speaking, even the shy ones. Every teacher knows that students are prone to forget elements of what they have been taught in the previous lesson, and how it can be frustrating. With this book, you won't have to worry about your teachings going in one ear and out the other because it solves that issue by making learning, drilling, and repetition fun with assistance and feedback from a variety of experienced and qualified English teachers. Andrew William has put together an excellent collection of ESL games and activities for the classroom that has already received a great deal of acclaim from schools around the world and has sold over 5,000 copies since

2017 save time on lesson planning additionally this book will ease the pressures of a busy schedule and eliminate planning those tricky lesson plans during your next lunch break by using this activity filled resource save time planning free up your personal time and preserve your energy for the classroom after all teaching is what you do best so use this aid to increase your students capacity and eagerness for learning here is what you will get from this book easier quicker lesson planning 180 fun language games and activities for learning english assistance with enhancing students confidence and motivation games for reading writing speaking and listening make learning fun again ready to use classroom management strategies and activities increase your popularity and relationship with your students and much much more read on your pc mac smart phone tablet kindle device or buy it on paperback
