

Night on the Galactic Railroad and Other Stories from Ihatov

2014-01-16

kenji miyazawa 1896 1933 is one of japan s most beloved writers and poets known particularly for his sensitive and symbolist children s fiction this volume collects stories that focus on miyazawa s love of space and his use of the galaxy as a metaphor for the concepts of purity self sacrifice and faith which were near and dear to his heart the nighthawk star follows a lowly bird as he struggles to transform himself into something greater a constellation in the night sky signal signal less depicts a pair of star crossed train signals who dream of eloping to the moon and night on the galactic railroad miyazawa s most famous work tells the story of two boys as they journey upon a train that traverses the milky way learning the true meaning of friendship happiness and life itself along the way

Night of the Milky Way Railway

1991

giovanni and his friend campanella who is dead from drowning travel on a celestial railway which is a ferry of souls journeying to the afterlife
