Capitalism and Freedom in African Political Philosophy

2020-05-05

this book investigates capitalism and freedom the guiding forces of many political systems in african philosophy it builds on classical and neoliberal capitalism rooted in private property and freedom and argues for the presence of these elements in the traditional and modern african political systems the author argues that while these elements are partly imported from western capitalists they are equally traceable in african traditional political systems kayange argues that african politics is marred by a conflict between embracing capitalism and freedom individualism on the one hand and socialism founded on african communitarianism and communist ideas on the other this conflict has affected policy development and implementation and has significantly contributed towards the socio economic and ethical crises that are recurrent in most of the african countries

Terrorism, 9/11, and Freedom

2014-12-10

thirty six essays from 2000 to 2009 chronicling america s struggles with terrorism and freedom the first of these essays was written over a year before the events of 9 11 01 the last was written in 2009 the second was written the day of 9 11 and published the next week these essays and articles are a kind of chronological examination of u s involvement in afghanistan and iraq and the consequences for life here in the united states post 9 11 you may judge for yourself with the hindsight of history how accurate were my analyses predictions and descriptions of these events of the past decade and a half those who forget the lessons of history

Idealism and Freedom

1996-01-26

this volume collects all henry allison s recent essays on kant s theoretical and practical philosophy

Hegel, Marx, and the Necessity and Freedom Dialectic

2018-04-26

this book provides close readings of primary texts to analyze the linkage between g w f hegel s philosophy and karl marx s critical social theory of necessity and freedom this is important for three reasons first to understand the significance of the changing relationships of work society and critical social theory in the origins of hegelian marxism in the us as documented in the recently published correspondence between the marxist humanist theoretician raya dunayevskaya and the critical theorist herbert marcuse second to identify the intersections of the critical theorists jurgen habermas and marcuse s influential reinterpretations of marx s value theory of economy and society that enables navigation of the changing relationships of the social and economic spheres in the last century as developed in marx s grundrisse and thirdly to assess the potential of moische postone s renewal of marx s value theory largely conceived by the notion of a necessity and freedom dialectic intrinsic to capitalism

Self, Reason, and Freedom

2013-01-03

freedom and its internal relation to reason is fundamental to descartes philosophy in general and to his meditations on first philosophy in particular without freedom his entire enquiry would not get off the ground and without understanding the rôle of freedom in his work we could not understand what motivates key parts of his metaphysics yet not only is freedom a relatively overlooked element but its internal relation to reason has gone unnoticed by most studies of his philosophy self reason and freedom a new light on descartes metaphysics by defending freedom s internal relation to reason sheds new light on descartes metaphysics and restores the often dismissed fourth meditation to the core of his metaphysics as he conceived it implicit in that relation is a rejection of any authority external to reason andrea christofidou shows how this lends strength and explanatory force to descartes enquiry and reveals his conception of the unity of the self and of its place in the world self reason and freedom a new light on descartes metaphysics is essential reading for students and scholars of descartes and anyone studying seventeenth century philosophy

Law, Love and Freedom

2019-07-04

moving from monasticism to constitutionalism and from antinomianism to anarchism this book reveals law s connection with love and freedom

Woman Life Freedom

2023-09-12

mahsa jina amini s death at the hands of iran s morality police on 16 september 2022 sparked widespread protests across the country women took to the streets uncovering their hair burning headscarves and chanting woman life freedom zan zendegi azadi in persian and jin jîyan azadî in kurdish in mass demonstrations an explosion of creative resistance followed as art and photography shared online went viral and people around the world saw what was really going on in iran woman life freedom captures this historic moment in artwork and first person accounts this striking collection goes behind the scenes at forbidden fashion shows registers the sound of dissent in iran where it has been illegal for women to sing unaccompanied in public since 1979 and walks the streets of tehran with the smarties gen z women who colour and show their hair in defiance of the authorities despite the potentially devastating consequences extolling the power of art writing and body politics both female and queer this collection is both a universal rallying call and a celebration of the women the regime has tried and failed to silence this is what protest looks like

The Metaphysics of Self-realisation and Freedom

2017-03-22

this first part of colin tyler s new critical assessment of the social and political thought of t h green 1836 1882 explores the grounding that green gives to liberal socialism tyler shows how for green ultimately personal self realisation and freedom stem from the innate human drive to construct a bedrock of fundamental values and commitments that can define and give direction to the individual s most valuable potentials and talents this book is not only a significant contribution to british idealist scholarship it highlights also the enduring philosophical and ethical resources of a social democratic tradition that remains one of the world s most important social and political movements and not least

across britain europe north america india and australia dr colin tyler is reader in politics at the university of hull and joint convenor of the centre for british idealism

Between Slavery and Freedom

1992

using the writings of slaves and former slaves as well as commentaries on slavery between slavery and freedom explores the american slave experience to gain a better understanding of six moral and political concepts oppression paternalism resistance political obligation citizenship and forgiveness the authors use analytical philosophy as well as other disciplines to gain insight into the thinking of a group of people prevented from participating in the social political discourse of their times between slavery and freedom rejects the notion that philosophers need not consider individual experience because philosophy is impartial and universal a philosopher should also take account of matters that are essentially perspectival such as the slave experience mcgary and lawson demonstrate the contribution of all human experience including slave experiences to the quest for human knowledge and understanding

In Peace and Freedom

2013-09-26

bernard lafayette jr b 1940 was a cofounder of the student nonviolent coordinating committee sncc a leader in the nashville lunch counter sit ins a freedom rider an associate of dr martin luther king jr in the southern christian leadership conference sclc and the national coordinator of the poor people s campaign at the young age of twenty two he assumed the directorship of the alabama voter registration project in selma a city that had previously been removed from the organization s list due to the dangers of operating there in this electrifying memoir written with kathryn lee johnson lafayette shares the inspiring story of his years in selma when he arrived in 1963 selma was a small quiet rural town by 1965 it had made its mark in history and was nationally recognized as a battleground in the fight for racial equality and the site of one of the most important victories for social change in our nation lafayette was one of the primary organizers of the 1965 selma voting rights movement and the selma to montgomery marches and he relates his experiences of these historic initiatives in close detail today as the constitutionality of section 5 of the voting rights act is still questioned citizens students and scholars alike will want to look to this book as a guide important compelling and powerful in peace and freedom presents a necessary perspective on the civil rights movement in the 1960s from one of its greatest leaders

Art and Freedom

2003

art and freedom introduces a novel classificatory system for representation expression and formalist theories of art sleinis argues that a characteristic defect of contemporary theories of art is their neglect of the issue of value probing the issue of progress in art he also emphasizes the need for art to contribute to positive values book jacket

My Bondage and My Freedom

1987

my bondage and my freedom writes john stauffer in his foreword is a deep

meditation on the meaning of slavery race and freedom and on the power of faith and literacy as well as a portrait of an individual and a nation a few years before the civil war as his narrative unfolds frederick douglass abolitionist journalist orator and one of the most powerful voices to emerge from the american civil rights movement transforms himself from slave to fugitive to reformer leaving behind a legacy of social intellectual and political thought set from the text of the 1855 first edition this modern library paperback classic includes douglass s original appendix composed of excerpts from the author s speeches as well as a letter he wrote to his former master

Thomas Reid on Freedom and Morality

1991

in this succinct and well written book one of our most eminent philosophers provides a fresh reading of the view of freedom and morality developed by thomas reid 1710 1796 although contemporary theorists have written extensively about the scottish philosopher s contributions to the theory of knowledge this is the first book length study of his contributions to the controversy over freedom and necessity william l rowe argues that reid developed a subtle systematic theory of moral freedom based on the idea of the human being as a free and morally responsible agent he carefully reconstructs the theory and explores the intellectual background to reid s views in the work of john locke samuel clarke and anthony collins rowe develops a novel account of reid s conception of free action and relates it to contemporary arguments that moral responsibility for an action implies the power to have done otherwise distilling from reid s work a viable version of the agency theory of freedom and responsibility he suggests how reid s theory can be defended against the major objections both historical and contemporary that have been advanced against it blending to good effect historical and philosophical analysis thomas reid on freedom and morality should interest philosophers political theorists and intellectual historians

Tyranny to Freedom

2009

the author s own father was a victim of stalinism but this did not prevent the young ludwik from becoming a dedicated stalinist and a communist party member in poland tyranny to freedom diary of a former stalinist is based on decades of diaries written in poland france and the united states how did a committed communist react to important political events such as stalin s death revelations of the 20th congress in the ussr and the hungarian uprising why did kowalski return to poland in 1963 instead of choosing freedom in the west and why did he go public with his anti communist feelings after retiring in 2004 through diary entries spanning from 1946 and 2008 tyranny to freedom is a fascinating story of one man s struggle with finding a political identity and the resulting consequences of a euphoric dream turning into a nightmarish reality of murder and terror born in 1931 in poland ludwik kowalski spent his childhood up to age 15 in the soviet union his education was completed in poland and in france after returning to poland in 1963 with a french doctorate in nuclear physics he was invited to a scientific conference in the united states and became a research associate at columbia university after retiring in 2004 kowalski wrote hell on earth brutality and violence under the stalinist regime a short and easy to read book for those americans who know very little about crimes committed under red banners of proletarian dictatorship royalties will be donated to a montclair state university scholarship fund

My Fight for Faith and Freedom

2010

james s memoir heartbreakingly illustrates the struggle of a young woman trapped between two incompatible cultures and her subsequent fight for freedom this translation includes a new introduction updating readers on the author s life since the book s initial publication

Let My People Go

2014-04-29

come join me as i take you back to charleston south carolina to my father s forge in the early 1800 s sit with me on the woodpile as he tells a tale of faith hope or love in this extraordinary collection charlotte jefferies and her father price a former slave introduce us to twelve best loved bible tales from genesis to daniel and reveal their significance in the lives of african americans and indeed of all oppressed peoples when charlotte wants to understand the cruel injustices of her time she turns to her father does the powerful slaveholder mr sam riley who seems to own all that surrounds them also own the sun and moon she wonders price s answer is to tell the story of creation how can god allow an evil like slavery to exist she asks price responds by telling the story of the hebrews exodus and shows charlotte that someday their people too will be free with exquisite clarity patricia and fredrick mckissack and james ransome a newbery honor winner and all coretta scott king award winners brilliantly illuminate the parallels between the stories of the jews and african american history let my people go is a triumphant celebration of both the human spirit and the enduring power of story as a source of strength our hope is that this book will be like a lighthouse that can guide young readers through good times and bad the ideas that these ancient stories hold are not for one people at one time in one place they are for all of us for all times everywhere from the authors note to let my people go

My Lyrical Life

1889

my bondage and my freedom writes john stauffer in his foreword is a deep meditation on the meaning of slavery race and freedom and on the power of faith and literacy as well as a portrait of an individual and a nation a few years before the civil war as his narrative unfolds frederick douglass abolitionist journalist orator and one of the most powerful voices to emerge from the american civil rights movement transforms himself from slave to fugitive to reformer leaving behind a legacy of social intellectual and political thought set from the text of the 1855 first edition this modern library paperback classic includes douglass s original appendix composed of excerpts from the author s speeches as well as a letter he wrote to his former master

My Bondage and My Freedom

2020-05-09

growing up african american in segregated arkansas in the 1950s barbara hendricks witnessed firsthand the painful struggle for civil rights after graduation from the juilliard school of music hendricks immediately won a number of important international prizes and began performing in recitals and operas throughout the world a goodwill ambassador for the united nations high commission for refugees she is as devoted to humanitarian work as she is to her music always the anti diva hendricks is a down to earth and straightforward woman whether singing mozart or black spirituals she challenges stereotypes and puts the music first and presents a warm engaging and honest self portrait of one of the great women of music

Lifting My Voice

2014-06-01

winner of the pulitzer prize in history an important deeply affecting and regrettably relevant new york times chronicle of a sinister idea of freedom white americans freedom to oppress others and their fight against the government that got in their way american freedom is typically associated with the fight of the oppressed for a better world but for centuries whenever the federal government intervened on behalf of nonwhite people many white americans fought back in the name of freedom their freedom to dominate others in freedom s dominion historian jefferson cowie traces this complex saga by focusing on a quintessentially american place barbour county alabama the ancestral home of political firebrand george wallace in a land shaped by settler colonialism and chattel slavery white people weaponized freedom to seize native lands champion secession overthrow reconstruction question the new deal and fight against the civil rights movement a riveting history of the long running clash between white people and federal authority this book radically shifts our understanding of what freedom means in america

Freedom's Dominion (Winner of the Pulitzer Prize)

2022-11-22

often shocking always compelling afua cooper s novel is based on the life of henry bibb an american slave who after repeated attempts escaped in 1841 to become an anti slavery speaker author and founder of a black newspaper cooper takes painstakingly researched details about slavery and weaves an intimate story of bibb s young life which is overshadowed by inconceivable brutality at nine years old henry is separated from his mother and brothers and hired out suffering abuse at the hands of cruel masters so severe he almost dies henry s courageous life is described in intimate detail and young readers will learn about everyday slave life on a plantation and in towns and cities the coded language of slave escapes and the dangerous routes over land and water to safe houses as henry bibb moves from boyhood to manhood he knows that one day he will fly away as in the old legend of the africans who flew away to freedom the first person narrative convincingly told in henry s voice traces bibb s boyhood marriage fatherhood and the developing awareness of his bondage and his determination to break free of it or die

My Name Is Henry Bibb

2023-05-02

this text examines a series of pervasive themes of human existence and the challenges of being and relating areas investigated include the nature and meaning of being different possessiveness and being possessed and dimensions of loneliness mystery and self disclosure

My Freedom, My Passion

2004

john gray has become one of our liveliest and most influential political philosophers this current volume is a sequel to his liberalism's essays in political philosophy the earlier book ended on a sceptical note both in respect of what a post liberal political philosophy might look like and with respect to the claims of political philosophy itself john gray's new book gives post liberal theory a more definite content it does so by considering particular thinkers in the history of political thought by criticizing the conventional wisdom liberal and socialist of the western academic class and most directly by specifying what remains of value in liberalism the upshot of this line of thought is that we need not regret the failure of foundationalist liberalism since we have all we need in the historic inheritance of the institutions of civil society it is to the practice of liberty that these institutions encompass rather than to empty liberal theory that we should repair

The Sunday Magazine

1876

this is a book of the last century of the world or a book of life about us the people of the world and each individual or a book of answers that people do not always obey from the past to present to the future family parents children life wife respect our past our countries our choices our freedom with total connection with ideology view and mentality of our ancestors include our american founding fathers words views and hobbies this book was born in an old fashioned barbershop made by an old school soviet barber it has been offered to read to real life customers on the spot while they were waiting for the best haircuts from simple realities of small business owners and realities in old fashioned barbershops to simple realities and history of the country to around the world included is the soviet barber's life story and roads to freedom where american people will see their history or real history and reality of their ancestors who made tough decisions and choices and dangerous roads to freedom and independence it is based on conversations between the customers and the barber
