Bedside Book of Celebrity Gossip 1988-12-01 after graduating from college jennifer isn't sure what she wants to do with her life through inexperienced and unprepared she feels drawn to the appalachian trail and sets out along on the long distance footpath that stretches 2 175 miles from georgia to maine the next five months are the most physically and emotionally challenging of her life coping with blisters and aching shoulders hiking through endless torrents of rain and a blizzard facing unwanted company and encountering tragedy the trail becomes a modern day odyssey that tests jennifer's faith in god humanity and herself but even at her lowest points it provides enduring friendships unexpected laughter and the gift of self discovery with every step she takes jennifer transitions from an over confident college graduate to a student of the trail as she travels along the ridges of the ancient mountain chain she realizes that she isn't walking through nature she realizes she is part of nature and she learns that the appalachian trails is more than a 2 175 mile hike it is a journey that will change a person forever

Becoming Odysa: 10th Anniversary Edition 2020-03-16 this book looks back to the early days of new and social media to examine the potential threat that such technologies and platforms posed to the mainstream corporate media's gatekeeping and its ability to exploit humiliate and even violate famous women drawing on her own experiences working as part of this gatekeeping system stephanie patrick argues that in order to combat this threat the mainstream media doubled down on gendered narratives of meritocracy that legitimized certain male celebrities over others using a range of case studies spanning old media sites and new including disney playboy and reality television this book demonstrates that sexual exploitation and violation could be considered constitutive of female celebrity rather than a side effect patrick's case studies include some of america's most famous celebrities including miley cyrus lindsay lohan anna nicole smith paris hilton and donald trump urging readers to question their assumptions about these figures and their public trajectories this nuanced exploration of patriarchal capitalism and women's ongoing sexual exploitation by the media will be an important reference for scholars and students of digital and new media journalism celebrity studies and gender studies

Celebrity and New Media 2022-05-04 gossip is one of the most common and most condemned forms of discourse in which we engage even as it is often absorbing and socially significant it is also widely denigrated this volume examines fascinating moments in the history of gossip in america from witchcraft trials to people magazine helping us to see the subject with new eyes

When Private Talk Goes Public 2014-08-06 three recent and commercially successful series of novels employ and adapt the resources of popular fantasy fiction to create visions of religious identity j k rowling's harry potter books phillip pullman's dark materials and tim lahaye and jerry jenkins left behind series the act of creating fantasy counter worlds naturally involves all three stories in the creation of what mike gray terms transfigurations of transcendence hopeful albeit paradoxical encodings of the ambiguous non observable reality whose primary locus in modern society is the societally extra systemic human individual popular fantasy fiction turns out to involve acts of world creation that are inherently religious and inherently paradoxical a substantive examination shows that all three are involved in more or less intentional re narrations of traditional christian beliefs and narratives the atheist his dark materials series does not deny but re imagines the christian

visions of selfhood the traditionalist left behind series does not simply replicate but modifies its own declared values the apparent secularity of the harry potter series is shaped by its creative reception of christian patterns and narratives while the stories visions of selfhood clearly clash the basic paradoxes involved in their struggle to articulate transcendence expose significant parallels and a productive conversation with the christian tradition it is not simply that popular fantasy fiction is theologically relevant the christian heilsgeschichte too proves to be highly relevant in popular culture however while far from obsolescent models of religious identity in contemporary society require criticism and creativity and as evinced most powerfully in the harry potter stories a flair for constructive engagement with paradox
