you should be able to use these techniques to create a weekly study plan on your own for free as long as you put in the work but if you would like all of the above and then some in one complete package we recommend the kanji learning program wanikani

the bathing costume or the worst vacation of my life

Researchers conducted a study to explore the effectiveness of different study methods. In 2023, 829 participants were divided into two groups. Both groups received the same study materials, but one group was instructed to use specific study methods. A month later, the group that used the specific methods performed significantly better than the other group. This suggests that the specific study methods used by the first group were more effective. The researchers are currently exploring these methods further.
