## Hood's Magazine and Comic Miscellany 2021-05-12

will eisner best known for his influential comic book series the spirit and his groundbreaking graphic novel a contract with god believed in the teaching power of  
2023-03-03 2/9 heroes and saints and other plays giving up the ghost shadow of a man heroes and saints

comics and from 1951 to 1971 he produced ps magazine for the u s army this preventive maintenance monthly called ps because it was a postscript to the standard technical manuals was aimed at teaching american soldiers everything about weapons safety for vehicles aircraft firearms and electronics eisner illustrated these vital lessons in drawings pinups step by step guides and comic strips this collection contains the best of eisner s 227 issues of ps reproduced in a portable digest format this relatively unknown work by eisner is finally explored the missing link between his comic books and his later more mature graphic novel style praise for ps magazine for the first time will eisner s superlative work for the u s army has been assembled into a single collection the result shows the artist s keen understanding of the educative power of graphic storytelling from 1951 to 1971 between the spirit and a contract with god eisner produced ps magazine for the army in order to teach the common soldier how best to use maintain repair and requisition their equipment from explaining how to load a truck correctly to why it won t start eisner used a combination of humor sound technical writing and graphic storytelling to educate the soldiers his magazines could be found at the front lines in the officer s mess and in the quarters of senior military officials it featured a cast of recurring characters like the loveable joe dope and the voluptuous connie rodd who headlined featured segments like joe s dope sheet and the provocatively named connie rodd s briefs with eisner s wonderful artwork and clarity of style making sometimes difficult concepts easy to understand it s no wonder ps magazine was so popular with military personnel a fascinating document for both fans of eisner and military history buffs publishers weekly starred review these amusing yet pragmatic sketches provide a missing link comics document for fans and demonstrate the same mastery of his craft that marked eisner s better known works booklist an instructional model for today s producers of non fiction comics which too often lack such visual traction this also has appeal for military buffs vehicle junkies and eisner fans library journal the enthusiast who s been nurturing a curiosity about eisner s lost years will find all he needs to know from this beautifully produced little volume the comics journal eisner understood comics potential for education decades before his peers and ps magazine was his first laboratory this thoughtful new collection is an essential addition to the eisner library scott mccloud author of understanding comics

## **Savate Comics & Magazine 2009-03**

cover art by jack kirby prepare to be terrified the tale you are about to read are not for the easily scared or the faint of heart it s a full blooded ghost story and introduces again that one intrepid voyager into the unknown of the paranormal and the supernatural always manages to return with a pragmatic explanation of what seems to be the inexplicable what you see and what you believe is not always the same it is said that another realm exist where we inhabit other worldly beings dwell within this place and the only way to communicate with them is through carrying out rituals or paranormal communication games these games are not simple however as playing these pose a huge risk that me scar you for life or worse whether you believe in ghost haunt or not i am sure that you will love and enjoy a good ghost story why are we crazy about ghost and i cannot comprehend why anyone should be scared of them after all what do ghost do they haunt that s all to haunt means to visit or to live in a place to keep coming back to the mind of someone especially in a way that makes the person sad or upset what is so scary about that a hopeful lover hangs around a lot
