<u>Word Ladders</u> 2012-12-07 welcome to this fantastic collection of 100 word ladder puzzles word ladders are fun and entertaining word puzzles that are a real test of your vocabulary the rules of word ladders are deceptively simple all you need to do is move from the word at the top of the ladder to the word at the bottom of the ladder in the stated number of steps placing a new word on each rung of the ladder as you move down the ladder the rule is that you can only change one letter at a time and you cannot shuffle the order of any of the letters for instance you can move from more to move here changing the r for a v however more to love isn t valid as here you are swapping two letters when you are only allowed to swap one of course each word you make must be in the dictionary so you couldn t move from more to mzre for instance that s all there is to it good luck and we hope you have lots of fun climbing or descending the 100 word ladders in this book
