Holy Ghost Power Or Being? 2010-07-07 this book carries an ethnographic signature in approach and style and is an examination of a small brooklyn new york african american pentecostal church congregation and is based on ethnographic notes taken over the course of four years the pentecostal church is known to outsiders almost exclusively for its members bizarre habit of speaking in tongues this ethnography however puts those outsiders inside the church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church s members experience these forces in the most personal ways through religious conversion central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere the approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern church scene the focus on the individual process of becoming pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their pentecostal careers this book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as god hunting and holy ghost capital to explain the process through which individuals become tongue speaking pentecostals church members acquire holy ghost capital and construct a pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas finally this book examines the futures of the small and large institutionally affiliated pentecostal church and argues that the small pentecostal church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement the power of charisma in the small church has far reaching consequences and implications for the future of pentecostalism and its followers

Getting the Holy Ghost 2013 originally published in 1970 peter abelard provides an exploration into the social and religious background to the story of abelard and heloise the book presents the twelfth century as an age of renaissance which saw the revival of greek philosophy and roman law a renaissance just as important as that which was to come three centuries later through an examination of the life of peter abelard the book offers an insight into this age of enlightenment in which dialects flourished and religious thought began to break away from the bonds of traditionalism peter abelard will appeal to those with an interest in religious and social history medieval history and the story of abelard and heloise

Christian Examiner and Theological Review 1843 this book presents a comprehensive history of the seven apache tribes tracing them from their genetic origins in asia and their migration through the continent to the southwest the work covers their social history verbal traditions and mores the final section delineates the recorded history starting with the spanish expedition of 1541 through the civil war

Power from on High 16?? a familiar sight in america today is seeing two young men wearing ties white shirts with name tags and black pants pedaling their bicycles through towns and neighborhoods most recognize the uniform of young mormon missionaries on their two year mission seeking to promote and convert anyone willing to listen to their story what is becoming increasingly familiar is the rise of entertainment and political figures also identifying themselves as practicing mormons what is difficult for many americans is deciding whether the gospel the lds church has promoted over the past two centuries is the same gospel proclaimed by traditional christian churches over the past two millennia are they sincere christians a non christian cult or something else altogether this book seeks to provide an understanding of the history and basic beliefs of traditional christianity and compare them to the history and beliefs of mormonism

The Permanency of the Apostolic Office, as Distinct from that of Bishops, with Reasons for Believing that it is Now Revived in the Church ... 1853 in standards of life and service commissioner thomas

henry howard delivers powerful addresses on the practical aspects of holiness and the demand for righteousness in christianity he distinguishes between god s work in justifying and purifying the soul and man s responsibility to obey god s laws the addresses caution against antinomianism emphasizing the importance of determined obedience to maintain spiritual experience through these popular yet deeply spiritual teachings howard provides readers with standards for a life of right living this book is a valuable resource for anyone seeking to deepen their understanding of salvation army doctrine and improve their walk with god
