The central importance of the actor-author is a distinctive feature of Italian theatrical life in all its eclectic range of regional cultures and artistic traditions. The fascination of the figure is that he or she stands on both sides of one of theatre's most important power relationships between the exhilarating freedom of performance and the austere restriction of authorship and the written text. This broad-ranging volume brings together critical essays on the role of the actor-author spanning the period from the Renaissance to the present, starting with Castiglione, Ruzante and the commedia dell'arte and surveying the works of Dario Fo, De Filippo and Bene. Among others, the contributors cast light on a tradition which continues into Neapolitan and Sicilian theatre today and in Italy's currently fashionable narrative theatre where the actor-author is centre stage in a solo performance.

## Malacological Review

2007

presenting european anthropology of education through eleven studies of european schools this volume explores the constructing  
 and handling of difference and sameness in the central institutions of schools based on ethnographic studies of schools in greece  
 england norway italy switzerland the czech republic spain austria russia germany the netherlands and denmark it illustrates how  
 anthropological studies of schools provide a window to larger society it thus offers insights into cultural lessons taught to children  
 through policies institutional structures and everyday interactions as well as into schools entanglement in state projects cultural  
 processes societal histories and conflicts and hence into contemporary europe

## I mondi della Storia. vol. 2. Ascesa ed egemonia europea nel mondo

2010

quando abbiamo scritto la storia di artan avevamo in mente una situazione ed un momento storico particolari l america del nord

colonizzata dagli inglesi e gli indiani che si ritrovano il loro territorio invaso da stranieri più forti e senza onore volevamo ricreare una situazione analoga dove però gli indiani oltre a ribellarsi riescono a trovare il modo di controbattere il nemico invasore da qui siamo partiti per creare artan la storia è ambientata in un lontano futuro o lontano passato su di un sistema solare attorno a cui ruotano due pianeti abitabili artan e barsec barsec patria dei barsechiani si trova su di un orbita più esterna rispetto ad artan su artan invece vivono due civiltà agli antipodi gli artakiani un popolo alto e forte che da tempo vive su questo pianeta con umiltà rispettando ciò che lo circonda e gli artaniani coloni barsechiani insediatisi sul pianeta circa 500 anni prima la storia però è incentrata su ellah ragazza barsechiana che arriva su artan per lavorare e sui suoi amici barke il suo tutore jarik un ragazzo che arriverà a volerle molto bene leika la donna che barke ama tlok e sua moglie tillia due artakiani che appoggeranno la causa di ellah tutti insieme vivranno le incredibili avventure che si presenteranno nel prossimo futuro futuro che metterà in gioco la stabilità del pianeta artan e dei suoi abitanti nel prosieguo della storia impareremo a conoscere non solo i personaggi ma anche il mondo in cui vivono e che li plasma artan non è solo un fumetto di fantascienza e non è neanche solo un fantasy la sua storia non vuole raccontare di buchi neri o di maghi e di orchi noi crediamo di aver disegnato un fumetto che al di là degli scenari è incentrato sull'amicizia sull'amore e sui valori umani o artaniani per meglio dire perché in fondo è questo l'essenziale della vita la tecnologia è quasi un'aggiunta fastidiosa che pian piano si eliminerà lasciando un mondo in cui solo i principi di lealtà e di forza d'animo hanno senso per questo anche le armi si trasformano e diventano primitive e meno letali ma legate a chi le usa con coraggio e con scopo nobile non abbiamo voluto inserire cattivi o buoni eroi e malvagi ma solo persone che a seconda delle situazioni possono cambiare ed adattarsi come in molte altre cose nella vita il confine fra male e bene fra giusto e sbagliato alle volte diventa sottile e facilmente percorribile in entrambi i sensi con il tempo su artan arriveranno a contare solo gli scopi e i valori interpersonali che spingeranno un piccolo gruppo di persone a cambiare il futuro di un pianeta e di tre popoli questo mondo ci ha appassionati e speriamo di potervi trasmettere le stesse emozioni che ci ha suscitato realizzandolo gianfranco stefano
