Red Book of Marine Engineering Questions and Answers 1967

the book basics of electronics and communication engineering short question and answers is written to cater the needs of students for review purpose at the engineering or polytechnic level of electronics and communication telecommunication engineering streams the basic principles of the book are learning and motivation easy explanation of practice problems and short answer type review questions are the principal features of this book

Engineering Physics MCQ PDF: Questions and Answers Download | Physics MCQs Book 2017

this book is meant for diploma students of chemical engineering and petroleum engineering both for their academic programmes as well as for competitive examination this book contains 18 chapters covering the entire syllabus of diploma course in chemical engineering and petrochemical engineering this book in its present form has been designed to serve as an encyclopedia of chemical engineering so as to be ready reckoner apart from being useful for all types of written tests and interviews faced by chemical engineering and petrochemical engineering diploma students of the country since branch related subjects of petrochemical engineering are same as that of chemical engineering diploma students so this book will be equally useful for diploma in petrochemical engineering students
