legends aren t born they re made dug sealskinner is a down on his luck mercenary traveling south to join up with king zadar s army but he keeps rescuing the wrong people first spring a child he finds scavenging on the battlefield and then lowa one of zadar s most fearsome warriors who has vowed revenge on the king for her sister s execution now dug s on the wrong side of the thousands strong army he hoped to join and worse zadar has bloodthirsty druid magic on his side all dug has is his war hammer one small child and one unpredictable highly trained warrior with a lust for revenge that might get them all killed invaders have massacred and pillaged their way through neighbouring kingdoms and loom on the far side of the sea ready to descend upon the fortress of maidun with them are an unstoppable legion of men twisted by dark magic somehow gueen lowa s army must repel the invasion although their best general is dead and their young druid powerless she faces impossible odds but when the alternative is death or slavery a warrior queen will do whatever it takes to save her people new york times bestseller in the epic next chapter of the red rising saga the 1 bestselling author of morning star pushes the boundaries of one of the boldest series in fiction mature science fiction existing within the frame of blazing space opera done in a style that borders on shakespearean nor one of the best books of the year they call him father liberator warlord slave king reaper but he feels a boy as he falls toward the war torn planet his armor red his army vast his heart heavy it is the tenth year of war and the thirty third of his life a decade ago darrow was the hero of the revolution he believed would break the chains of the society but the rising has shattered everything instead of peace and freedom it has brought endless war now he must risk all he has fought for on one last desperate mission darrow still believes he can save everyone but can he save himself and throughout the worlds other destinies entwine with darrow s to change his fate forever a young red girl flees tragedy in her refugee camp and achieves for herself a new life she could never have imagined an ex soldier broken by grief is forced to steal the most valuable thing in the galaxy or pay with his life and lysander au lune the heir in exile to the sovereign wanders the stars with his mentor cassius haunted by the loss of the world that darrow transformed and dreaming of what will rise from its ashes red rising was the story of the end of one universe iron gold is the story of the creation of a new one witness the beginning of a stunning new saga of tragedy and triumph from masterly new york times bestselling author pierce brown don t miss any of pierce brown s red rising saga red rising golden son morning star iron gold dark age light bringer a fast paced adventure across celtic and modern times curses ancient and modern assail jack. harrington and doctor orlagh gairne 8 000 years ago europe was a very different place england was linked to holland by a massive swathe of land where the north sea is now lay the landmass of northland and then came a period of global warming a shifting of continents and over a few short years the sea rushed in and our history was set but what if the sea had been kept at bay brythony is a young girl who lives in northland like all her people she is a hunter gatherer her simple tools fashioned from flint cutting edges lodged in wood and animal bone when the sea first encroaches on her land her people simply move brythony moves further travelling to asia where she sees mankind s first walled cities and gets an idea what if you could build a wall to keep the sea out and so begins a colossal engineering project that will take decades a wall that stretches for hundreds of miles a wall that becomes an act of defiance and containing the bones of the dead an act of devotion a wall that will change the geography of the world and it s history stephen baxter has become expert at embedding human stories into the grandest sweeps of history and the most mind blowing of concepts stone spring begins a trilogy that will tell the story of a changed world it begins in 8 000 bc with an idea and ends in 1500 in a world that never saw the roman empire christianity or islam it is an eye opening look at what history could so easily have been and an inspiring tale of how we control our future the start of a brand new trilogy epic fantasy from a david gemmell award shortlisted author watson has 1000s of goodreads and amazon ratings you die predecessors iron blood sacrifice is a bloody romp through the palisaded hillforts of a truly ancient britain set in a time when its five kingdoms were riven by treachery and division and when the eternal ever burning fire of ambition within each of its leaders was all consuming insular and undiscovered prydein hung on the very edge of the known world the present book is a study of platonic idealism as it can play out in daily life it buttresses its defense of the platonic through reference both to classical greek and eighteenth century thought and to language in the pressure cooker of the american street caradoc the defiant prince book one of the caradoc trilogy set in iron age britain blood sacrifice battles youthful romance and the gods all come together to create an enthralling journey through an early stage of caradoc s life in this the first book in the caradoc trilogy it is ad 25 and caradoc youngest son of the strongest king in britain is reluctantly training to be a druid what he really wants is to be a warrior like his father brothers and uncle so when the girl he is besotted with is chosen to be sacrificed he is determined to save her whether she likes it or not the second book in angus watson s epic iron age fantasy trilogy leaders are forged in the fires of war br iron age warriors dug and lowa captured maidun castle and freed its slaves but now they must defend it a roman invasion is coming from gaul but rather than uniting to defend their home the british tribes go to battle with each other and see maidun as an easy target meanwhile lowa s spies infiltrate gaul discovering the romans have recruited british druids and maidunite ragnall finds his loyalties torn when he meets rome s charismatic general julius caesar war is coming who will pay its price designed as a supplementary resource for students who have an interest in the ancient near east and biblical history this volume provides a basic introduction to the historical archaeological and socio contextual aspects of ancient israel during its early foundation period through the endof the monarchy in judah victor matthews integrates extra biblical information on the physical realities of geo and super power politics international and interregional movement of peoples and the evolutionary process of complex states in the ancient near east with information from biblical process in order to explore the development of ancient israelites identity cultural traditions and interactions with other major cultures in particular he examines aspects of everyday life in both village culture and urban settings as a key to the development of social legal and religioustraditions and practices the history of bronze and iron age israel features an easy to navigate format non technical language and a series of informative insets that highlights important methodological concepts and comparative material you die when you die you can t change your fate so throw yourself into battle because you II either win or wake up drinking mead in the halls of your ancestors that s what finn s people believe but finn wants to live when his settlement is massacred by a hostile nation finn plus several friends and rivals must make their escape across a brutal unfamiliar landscape and to survive finn will fight harder than he s ever fought before the david gemmell award nominated author of age of iron returns with you die when you die an epic fantasy adventure in which a mismatched group of refugees battle animals and monsters determined assassing an unforgiving land and each other as they cross a continent to fulfil a prophecy i loved every second of it more please as soon as is humanly possible the eloquent page hugely entertaining sfx a rip roaring swiftly paced adventure set in a sprawling and beautifully detailed world sure to win the devotion of plenty of fans rt book reviews the first book in watson s new fantasy trilogy is raw violent and gritty you die when you dieblurs the lines between hero and villain into who lives and who dies he who survives another day wins for the moment tomorrow might be another story booklist i can command storms summon fire and unmake stone balfruss growled it s dangerous to meddle with things you don t understand balfruss is a battlemage sworn to fight and die for a country that fears and despises his kind vargus is a common soldier while mages shoot lightning from the walls of the city he s down in the front lines getting blood on his blade talandra is a princess and spymaster but the war may force her to risk everything and make the greatest sacrifice of all magic and mayhem collide in this explosive epic fantasy from a major new talent this book offers a case study of four of the most influential contemporary chinese writers and cultural bastards duoduo an underground misty poet wang shuo a hooligan writer zhang chengzhi an old red guard and new cultural heretic and wang xiaobo a chronicler of of iron returns with the second book in his epic west of west trilogy in which a mismatched group of refugees must battle animals and monsters an unforgiving land and each other as they cross a continent to fulfill a prophecy welcome to the badlands newly and uneasily allied two tribes from different worlds set off across the ocean of grass their mission is to fulfill a prophecy and take ottar the moaner west of west to save mankind in their way are the denizens of the badlands the most terrifying and powerful collection of murderers and monsters the world has ever seen a practical guide to using the sacred herbs of samhain for healing divination purification protection magic and as tools for contacting the spirits explores the identification harvest and safe practical and ritual use of more than 70 plants and trees sacred to the celtic festival of samhain the origin of halloween details the most effective plants for protection from the mischief of fairies herbs for releasing the dead and visionary plants for divination and shamanic work provides instructions and suggestions for a traditional dumb supper offerings to the land spirits samhain rites and recipes for the sacred foods of samhain the ancient celts separated the year into two halves the light half and the dark half summer and winter the festival of samhain from which the modern holiday of halloween originates marks the transition from summer to winter the end of the celtic year a time when the barriers between the physical and spiritual world are at their most transparent the herbs most characteristic of this time have specific magical and healing properties that echo the darker aspect of the year and offer potent opportunities for divination contact with ancestors and land spirits and journeys in the otherworld presenting a practical guide to the sacred herbs and trees of samhain ellen evert hopman details the identification harvest and use of more than 70 plants and trees in healing divination purification magic and as tools for contacting the spirits wandering the landscape at this liminal time of year she explores the most effective plants for protection from the mischief of the good neighbors the sidhe or fairies as well as herbs for releasing the dead when they are trapped on this plane identifying visionary plants used to induce ecstatic trance hopman explores how herbs have been used for millennia to aid in psychic travel and shamanic work and shows how one might safely use plants to take a voyage to the otherworld drawing on her knowledge as a master herbalist she also includes

cautions to prevent harm and misidentification along with advice on basic etiquette and common sense approaches to herb magic detailing the history rites and traditions of samhain hopman explains how to make an offering to the land spirits and provides instructions for the traditional samhain ritual of the dumb supper complete with recipes for the sacred foods of samhain such as soul cakes colcannon boxty bread and dandelion wine woven throughout with mystical tales of folk fairy and sacred herbs this guide offers each of us practical and magical ways to connect with nature the plant kingdom the spirits that surround us and the turning of the year collection of books running in five parts for all story weekly written by ju giesy occult researcher iason croft projects himself to world outside sirius the dog star where he takes over the body of another and works to save his love and stop an iron age war using modern technology in the mouthpiece of zitu croft returns to find his enemies regrouping and moves to defeat them with more technological toys the final volume has jason returning one last time to this strange world where he moves to save his wife and son from the forces of evil empire of shadows is the thrilling conclusion of the coraidic sagas a dark epic fantasy trilogy set against early bronze age tribal conflict iron age military conquest and the australian bush a guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series vols for 1921 1969 include annual bibliography called 1921 1955 american bibliography 1956 1963 annual bibliography 1964 1968 mla international bibliography we live in a digitalized world that is experiencing environmental changes scarcity of natural resources global pandemics mass migrations and burgeoning global populations in ecology artificial intelligence and virtual reality sing c chew proposes that we meet these challenges by examining the connected alobal world we live in and by considering the advances that have been made in digitalization miniaturization dematerialization artificial intelligence virtual and augmented realities and machine learning which have increased our socioeconomic and political productivity chew outlines potential structural avenues to address these challenges suggests pragmatic choices to ease living during these chaotic crisis conditions and outlines solutions that will enable us to traverse systemic crises this volume describes the lifecycle events and daily life activities experienced by girls and women in ancient israel examining recent biblical scholarship and other textual evidence from the ancient near east and egypt including archaeological iconographic and ethnographic data from this ebeling creates a detailed accessible description of the lives of women living in the central highland villages of iron age i ca 1200 1000 bce israel the book opens with an introduction that provides a brief historical survey of iron age ca 1200 586 bce israel a discussion of the problems involved in using the hebrew bible as a source a rationale for the project and a brief narrative of one woman s life in ancient israel to put the events described in the book into context it continues with seven thematic chapters that chronicle her life focusing on the specific events customs crafts technologies and other activities in which an israelite female would have participated on a daily basis the hutchinson illustrated encyclopedia of british history is a comprehensive and authoritative quide to the people events and ideas that have shaped britain from prehistory to the present day the editors have also sought to convey the truth that history is more than simply a compilation of facts from the past the editors have included as much factual information as possible in each a z entry and numerous tables and statistics are included as well as many specially created maps and plans the chronological relationships of past events and lives are conveyed through various detailed subject chronologies attached to the relevant a z entries a large thematic chronology following the a z text provides a visual reference to the relationship between the events of british irish history and events elsewhere in the world and the cultural context of as many entries as possible has been brought to life via a wide range of illustrations which provide a wealth of visual detail and often a key to past conceptions interspersed in the text are 21 specially commissioned extended feature articles from noted historians that provide the analysis and the sense of the broad sweep of history that would otherwise be impossible to convey in an a z reference book presents an alphabetical listing of such as the british museum has been studied in isolation from the rest of the evidence from the iron age this book reintegrates the art with the archaeology placing the finds in the context of our latest ideas about iron age and romano british society the contributions move beyond the traditional concerns with artistic styles and continental links to consider the material nature of objects their social effects and their role in practices such as exchange and burial the aesthetic impact of decorated metalwork metal composition and manufacturing dating and regional differences within britain all receive coverage the book gives us a new understanding of some of the most ornate and complex objects ever found in britain artefacts that condense and embody many histories imagining the pagan past explores stories of britain s pagan history these tales have been characterised by gods and fairies folklore and magic they have had an uncomfortable relationship with the scholarly world often being seen as historically dubious self indulgent romance and worse encouraging tribal and nationalistic feelings or challenging church and state this book shows how important these stories are to the history of british culture taking the reader on a lively tour from prehistory to the present from the middle ages to the twenty first century marion gibson explores the ways in which british pagan gods and goddesses have been represented in poetry novels plays chronicles scientific and scholarly writing from geoffrey of monmouth to edmund spenser william shakespeare to seamus heaney and hig wells to naomi mitchison it explores romano british celtic and anglo saxon deities and fictions the result is a comprehensive picture of the ways in which writers have peopled the british pagan pantheons throughout history imagining the pagan past will be essential reading for all those interested in the history of paganism
