Kwetsbaarheid voor georganiseerde criminaliteit. Een gevalstudie van de diamantsector

2004

De diamantsector is een van de meest kwetsbare sectoren voor georganiseerde criminaliteit. Dit boek onderzoekt de risico's die voortvloeien uit de complexe en vaak ontransparante handelspraktijken in deze sector. Het bespreekt de rol van verschillende actoren, van producenten tot detailhandelaren, en analyseert de effectiviteit van bestaande veiligheidsmaatregelen. Het doel is om de lezer inzicht te geven in de structurele zwaktepunten van de sector en te suggereren hoe deze kunnen worden aangepakt om de veiligheid te verbeteren.

Diamonds and Scoundrels

2019-09-17

À l'heure où tous les médias parlent du réchauffement climatique et de ses conséquences sur la vie des hommes notamment la fonte des glaciers et l'élévation du niveau des mers que se passerait-il si un ingénieur fou réussissait à modifier le point de gel de l'eau ? Nathalie dont les ancêtres ont fui la Russie à la révolution d'octobre pour sauver leur vie va prendre sa revanche en leur dérobant un procédé qu'elle va améliorer caché au fond d'une vallée reculée des Alpes. Déjà les premiers effets de sa découverte se font sentir et les élus locaux s'en alarment. Laurent son ami d'enfance revenu au pays pour y enterrer sa mère fera l'objet de pression de la part de la gendarmerie pour les aider à retrouver sa cachette. Complètement étranger à cette affaire, il sera également harcelé par des agents secrets russes et américains qui eux aussi vont tenter de s'approprier cette découverte jugée trop dangereuse si elle parvenait entre les mains de terroristes. Laurent arrivera-t-il à leur échapper tout en rejoignant Nathalie ? Arrivera-t-il à la convaincre de stopper cette folie ?

How to Buy a Diamond

2018-11-06

First published in 2000 where a well-run society should rest on the continuum between public and private control has been the most contentious and thorny issue of legal and social theory throughout the generations. This series sets out to provide answers to this ongoing dispute contained in the five volumes of material assembled. The collection draws from many disciplines including economics, law, philosophy, and political science yet they are all directed to a topic that is worthy of examination from multiple perspectives: liberty, property, and the law.

never before has the full history of hatton garden and its diamond and jewellery trade been revealed in such detail stories of individuals who made the community what it is today and events that are usually hidden from the public s eye have been compiled by one of the garden s best known jewellers vivian watson fga who joined the family business in the 1960s becoming the third generation of his family to work there with a unique network of contacts he has interviewed the great and the good richly illustrated from a private collection of hundreds of images and maps this book will inform and entertain the reader on the secret world of diamonds and gems many will feel compelled to read it from cover to cover and others will enjoy dipping in and out

Contract - Freedom and Restraint

1995

since the early 1980s jim jarmusch has produced a handful of idiosyncratic films that have established him as one of the most imaginatively allusive directors in the history of american cinema three of his films dead man 1995 ghost dog 1999 and the limits of control 2009 demonstrate the director s unique take on eastern and aboriginal spirituality in particular they reflect jarmusch s rejection of western monotheism s fear driven separation of life and death while these films address historical issues of imperialism colonialism and genocide they also demonstrate a uniquely spiritual form of resistance to conditions that political solutions have not resolved the impact of dead man ghost dog and the limits of control cannot be fully felt without considering the multicultural sources from which the writer director drew in the jarmusch way julian rice looks closely at these three films and explores their relation to eastern philosophy and particular works of western literature painting and cinema this book also delves deeply into the films association with native american culture a subject upon which rice has written extensively though he has garnered a passionate following in some circles jarmusch remains critically underappreciated making a case that this director deserves far more serious attention than he has received thus far the jarmusch way thoroughly discusses three of his most intriguing films
