exchange of information and innovative ideas are necessary to accelerate the development of technology with advent of technology intelligent and soft computing techniques came into existence with a wide scope of implementation in engineering sciences keeping this ideology in preference this book includes the insights that reflect the advances in computer and computational sciences from upcoming researchers and leading academicians across the globe it contains high quality peer reviewed papers of international conference on computer communication and computational sciences iccccs 2016 held during 12 13 august 2016 in ajmer india these papers are arranged in the form of chapters the content of the book is divided into two volumes that cover variety of topics such as intelligent hardware and software design advanced communications power and energy optimization intelligent techniques used in internet of things intelligent image processing advanced software engineering evolutionary and soft computing security and many more this book helps the perspective readers from computer industry and academia to derive the advances of next generation computer and communication technology and shape them into real life applications digital reference services in academic libraries presents the background of drs evolution of drs the concept of drs emerging models of drs benefits and limitation of drs personalized services trends and challenges technological developments evaluation and guidelines effectiveness and drs in academic libraries the case study examined the existing status of digital reference services drs in four selected public academic libraries in malaysia focused is given on the awareness usage users perception users satisfaction library s performance and looked at the perceived needs issues and problems faced by librarians and students the study is important to determine how academic librarians are exploiting the latest information and communication technologies to improve reference service operations recommendations are made on the need for the implementation of synchronous drs enhancing the role of drs marketing and promotion staff training user education programmes and cooperation the main contribution of this book is the assessment of effectiveness of drs in academic libraries in malaysia the identification of perceived needs issues and problems and suggestions on the areas of improvement in the use of drs in the process a conceptual model for the effectiveness of the implementation of drs in academic libraries in malaysia is presented the author also proposes directions for future research in the area of drs colloquium in computer mathematical sciences education 2015 ccmse 2015 is an initiative from the faculty of computer mathematical sciences uitm perlis to foster a platform for discussing issues related to teaching and learning approach within the field of computer sciences system sciences information technology computer networks mathematics and statistics this volume contains a selection of papers from the 5th international conference on the practice and theory of automated timetabling patat 2004 held in pittsburgh usa august 18 20 2004 indeed as we write this preface in the summer of 2005 we note that we are about one month away from the tenth anniversary of the very rst patat conference in edinburgh since those very early days the conference series has gone from strength to strength and this volume represents the latest in a series of ve rigorously refereed volumes which showcase a broad spectrum of ground breaking timetabling research across a very wide range of timetabling problems and applications timetabling is an area that unites a number of disparate elds and which cuts across a number of diverse academic disciplines while the most obvious instances of timetabling occur in educational institutions timetabling also pears in sports applications transportation planning project scheduling and many other elds viewing timetabling as a unifying theme enables researchers from these various areas to learn from each other and to extend their own search and practice in new and innovative ways this volume continues the trend of the conference series to extend the de nition of timetabling beyond its edu tional roots in this volume seven of the 19 papers involve domains other than education of course educational timetabling remains at the core of timetabling research and the papers in this volume represent the full range of this area including exam timetabling room scheduling and class rostering this book discusses multilingual postcolonial common law focusing on malaysia s efforts to shift the language of law from english to malay and weighing the pros and cons of planned language shift as a solution to language based disadvantage before the law in jurisdictions where the majority of citizens lack proficiency in the traditional legal medium through analysis of legislation and policy documents interviews with lawyers law students and law lecturers and observations of court proceedings and law lectures the book reflects on what is entailed in changing the

language of the law it reviews the implications of societal bilingualism for postcolonial justice systems and raises an important question for language planners to consider if the language of the law is changed what else about the law changes the book comprises papers presented at the 7th international conference on university learning and teaching incult 2014 which was hosted by the asian centre for research on university learning and teaching acrulet located at the faculty of education universiti teknologi mara shah alam malaysia it was co hosted by the university of hertfordshire uk the university of south australia the university of ohio usa taylor s university malaysia and the training academy for higher education akept ministry of education malaysia a total of 165 papers were presented by speakers from around the world based on the theme educate to innovate in the 21st century the papers in this timely book cover the latest developments issues and concerns in the field of teaching and learning and provide a valuable reference resource on university teaching and learning for lecturers educators researchers and policy makers this two volume set lncs 13968 and 13969 constitutes the proceedings of the 14th international conference on advances in swarm intelligence icsi 2023 which took place in shenzhen china china in july 2023 the theme of this year s conference was serving life with swarm intelligence the 81 full papers presented were carefully reviewed and selected from 170 submissions the papers are organized into 12 cohesive sections covering major topics of swarm intelligence research and its development and applications the papers of the second part cover topics such as swarm robotics and uav machine learning data mining routing and scheduling problems stock prediction and portfolio optimization icsi optimization competition theory and practice in hospitality and tourism research includes 111 contributions from the 2nd international hospitality and tourism conference 2014 penang malaysia 2 4 september 2014 and covers a comprehensive range of topics including hospitality management hospitality tourism marketing tourism management technology innovation in hospitality tourism foodservice food safety gastronomy the book will be of interest to postgraduate students academics and professionals involved in the fields of hospitality and tourism this book shares insights into the various ways technology can be used for educational purposes utilizing an approach suitable for both novice and advanced practitioners in this niche area it features selected papers presented at the international conference on e learning 2015 icel 2015 where professionals discussed how technology can not only serve as a tool in the classroom but as the classroom itself as the title envisioning the future of online learning suggests this book showcases current best practices in the field of e learning where technology has been leveraged to re engineer the landscape of education particularly in the context of malaysia

terimalah lelaki yang mencintai kita lebih dari pada kita mencintai dia bolehkah ungkapan ini digunakan oleh qaireena asyikin untuk menerima semula huluran kasih johan lelaki itu pernah dicintainya suatu waktu dahulu namun dia terpaksa berkorban kasih apabila johan memilih kakaknya qairun annesa sebagai isteri tanpa sebab yang pasti kini qairun annesa telah kembali kepada nya kemelut membelenggu diri apabila johan mula menagih kasihnya desakan daripada orang tuanya agar menerima johan juga benar benar membuatkan dia tersepit this book provides proper direction in doing research especially towards the understanding of research objectives and research hypotheses the book also guides in research methodology such as the methods of designing a questionnaire methods of sampling methods of data collection and methods of data analysis the data analysis covers data mining descriptive analysis factor analysis and reliability analysis besides this the book assesses the normality distribution of data since this is crucial in determining the types of statistical analysis to be employed more importantly the book offers guide in analysing the correlational effects causal effects mediator effects and also the moderator effect among variables in a model

segulung ijazah menjadi impian ramai tidak semua bernasib baik mendapatkannya secara saluran utama tawaran pjj pendidikan jarak jauh adalah peluang terbaik namun mereka yang pastinya telah mempunyai komitmen bekerja dan atau berkeluarga tetapi masih menyimpan impian ini tetap dibelenggu pelbagai persoalan tentang pjj apakah sebenarnya pjj sesuaiakah menjadi pelajar jarak jauh apakah ciri ciri dan gaya pembelajaran seorang pelajar jarak jauh bagaimanakah proses pengajaran dan pembelajarannya apakah cabaran yang harus ditempuhi mampukah pjj ditempuhi dengan jayanya bagaimanakah hendak diuruskan masa antara kerjaya dan pengajian apakah tip untuk berjaya dalam pjj semua persoalan ini dikupas dengan rapi di dalam buku ini sebagai perintis dalam pjj di malaysia penulis mengaplikasikan pengalaman dan kepakaran luas beliau dalam membincangkan tentang keseluruhan aspek pjj variasi pengajaran pjj cabaran pembelajaran ciri dan gaya pembelajaran pelajar dan juga strategi kejayaan penulisan buku ini ditujukan khas untuk bakal pelajar dan pelajar jarak jauh institusi pengajian tinggi malaysia untuk berjaya dengan cemerlang buku ini juga relevan untuk panduan pelajar sepenuh masa sistem konvensional di dalam kampus

Ccsme 2015 Proceedings 2015-07-13

this volume contains a selection of papers from the 5th international conference on the practice and theory of automated timetabling patat 2004 held in pittsburgh usa august 18 20 2004 indeed as we write this preface in the summer of 2005 we note that we are about one month away from the tenth anniversary of the very first patat conference in edinburgh since those very early days the conference series has gone from strength to strength and this volume represents the latest in a series of very rigorously refereed volumes which showcase a broad spectrum of ground breaking timetabling research across a very wide range of timetabling problems and applications timetabling is an area that unites a number of disparate fields and which cuts across a number of diverse academic disciplines while the most obvious instances of timetabling occur in educational institutions timetabling also appears in sports applications transportation planning project scheduling and many other fields viewing timetabling as a unifying theme enables researchers

from these various areas to learn from each other and to extend their own

search and practice in new and innovative ways this volume continues the trend of the conference series to extend the definition of timetabling beyond its educational roots in this volume seven of the 19 papers involve domains other than education of course educational timetabling remains at the core of timetabling research and the papers in this volume represent the full range of this area including exam timetabling room scheduling and class rostering

Practice and Theory of Automated Timetabling V 2005 this book discusses multilingual postcolonial common law focusing on malaysia s efforts to shift the language of law from english to malay and weighing the pros and cons of planned language shift as a solution to language based disadvantage before the law in jurisdictions where the majority of citizens lack proficiency in the traditional legal medium through analysis of legislation and policy documents interviews with lawyers law students and law lecturers and observations of court

proceedings and law lectures the book reflects on what is entailed in changing the language of the law it reviews the implications of societal bilingualism for postcolonial justice systems and raises an important question for language planners to consider if the language of the law is changed what else about the law changes

Language Choice in Postcolonial Law 2020-02-24 the book comprises papers presented at the 7th international conference on university learning and teaching incult 2014 which was hosted by the asian centre for research on university learning and teaching acrulet located at the faculty of education universiti teknologi mara shah alam malaysia it was co hosted by the university of hertfordshire uk the university of south australia the university of ohio usa taylor s university malaysia and the training academy for higher education akept ministry of education malaysia a total of 165 papers were presented by speakers from around the world based on the theme educate to innovate in the 21st century the papers in this timely book cover the latest developments issues and concerns in the field of teaching and learning and provide a valuable reference resource on university teaching and learning for lecturers educators researchers and policy makers

7th International Conference on University Learning and Teaching (InCULT 2014) Proceedings 2015-12-30 this two volume set lncs 13968 and 13969 constitutes the proceedings of the 14th international conference on advances in swarm intelligence icsi 2023 which took place in shenzhen china china in july 2023 the theme of this year s conference was serving life with swarm intelligence the 81 full papers presented were carefully reviewed and selected from 170 submissions the papers are organized into 12 cohesive sections covering major topics of swarm intelligence research and its development and applications the papers of the second part cover topics such as swarm robotics and uav machine learning data mining routing and scheduling problems stock prediction and portfolio optimization icsi optimization competition

Building an Information Society for All 2007 theory and practice in hospitality and tourism research includes 111 contributions from the 2nd international hospitality and tourism conference 2014 penang malaysia 2 4 september 2014 and covers a comprehensive range of topics including hospitality management hospitality tourism marketing tourism management technology innovation in hospitality tourism foodservice food safety gastronomy the book will be of interest to postgraduate students academics and professionals involved in the fields of hospitality and tourism

Advances in Swarm Intelligence 2023-07-07 this book shares insights into the various ways technology can be used for educational purposes utilizing an approach suitable for both novice and advanced practitioners in this niche area it features selected papers presented at the international conference on e learning 2015 icel 2015 where professionals discussed how technology can not only serve as a tool in the classroom but as the classroom itself as the title envisioning the future of online learning suggests this book showcases current best practices in the field of e learning where technology has been leveraged to re engineer the landscape of education particularly in the context of malaysia

Theory and Practice in Hospitality and Tourism Research 2014-08-12 terimalah lelaki yang mencintai kita lebih dari pada kita mencintai dia bolehkah ungkapan ini digunakan oleh qaireena asyikin untuk menerima semula huluran kasih johan lelaki itu pernah dicintainya suatu waktu dahulu namun dia terpaksa berkorban kasih apabila johan memilih kakaknya qairun annesa sebagai isteri tanpa sebab yang pasti kini qairun annesa telah kembali kepada nya kemelut membelenggu diri apabila johan mula menagih kasihnya desakan daripada orang tuanya agar menerima johan juga benar benar membuatkan dia tersepit

Envisioning the Future of Online Learning 2016-06-10 this book provides proper direction in doing research especially towards the understanding of research objectives and research hypotheses the book also guides in research methodology such as the methods of designing a questionnaire methods of sampling methods of data collection and methods of data analysis the data analysis covers data mining descriptive analysis factor analysis and reliability analysis besides this the book assesses the normality distribution of data since this is crucial in determining the types of statistical analysis to be employed more importantly the book offers guide in analysing the correlational effects causal effects mediator effects and also the moderator effect among variables in a model

Bukan Kerana Sayang 2011 segulung ijazah menjadi impian ramai tidak semua bernasib baik mendapatkannya secara saluran utama tawaran pjj pendidikan jarak jauh adalah peluang terbaik namun mereka yang pastinya telah mempunyai komitmen bekerja dan atau berkeluarga tetapi masih menyimpan impian ini tetap dibelenggu pelbagai persoalan tentang pjj apakah sebenarnya pjj sesuaikan menjadi pelajar jarak jauh apakah ciri ciri dan gaya pembelajaran seorang pelajar jarak jauh bagaimanakah proses pengajaran dan pembelajarannya apakah cabaran yang harus ditempuhi mampukah pjj ditempuhi dengan jayanya bagaimanakah hendak diuruskan masa antara

kerjaya dan pengajian apakah tip untuk berjaya dalam pjj semua persoalan ini dikupas dengan rapi di dalam buku ini sebagai perintis dalam pjj di malaysia penulis mengaplikasikan pengalaman dan kepakaran luas beliau dalam membincangkan tentang keseluruhan aspek pjj variasi pengajaran pjj cabaran pembelajaran ciri dan gaya pembelajaran pelajar dan juga strategi kejayaan penulisan buku ini ditujukan khas untuk bakal pelajar dan pelajar jarak jauh institusi pengajian tinggi malaysia untuk berjaya dengan cemerlang buku ini juga relevan untuk panduan pelajar sepenuh masa sistem konvensional di dalam kampus
