text features revised edition of picture books for children patricia j cianciolo fourth edition 1997 whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians it can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles a little dog who hates baths hides his scrubbing brush and becomes so dirty that his family does not recognize him two of the most trusted reviewers in the field join with top authors illustrators and critics in a definitive guide to choosing books for children and nurturing their love of reading a family of readers is the definitive resource for parents interested in enriching the reading lives of their children it s divided into four sections 1 reading to them choosing and sharing board books and picture books with babies and very young children 2 reading with them launching the new reader with easy readers and chapter books 3 reading on their own exploring what children read and how they read by genre and gender 4 leaving them alone respecting the reading privacy of the young adult roger sutton knows how and why children read he must as the editor in chief of the horn book which since 1924 has been america s best source for reviews of books for young readers but for many parents selecting books for their children can make them feel lost now in this essential resource roger sutton and martha v parravano executive editor at the magazine offer thoughtful essays that consider how books are read to and then by young people they invite such leading authors and artists as maurice sendak katherine paterson margaret mahy and jon scieszka as well as a selection of top critics to add their voices about the genres they know best the result is an indispensable readers companion to everything from wordless board books to the most complex and daring young adult novels this book actually breaks the rules just by existing this much sheer coolness should not be allowed in one volume jordan sonnenblick bestselling author of drums girls and dangerous pie in break these rules 35 favorite middle grades and young adult authors including kathryn erskine a s king matthew quick sara zarr gary schmidt and many others speak directly to their readers and advise them to break the boundaries of conformity in moving inspiring often funny essays they take on many of the powerfully inhibiting often unspoken rules of adolescence such as boys shouldn t be gentle kind and caring thou shalt wear abercrombie fitch to fit in you must be a jock or a nerd you can t be both and girls should act like girls it is often through reading fiction that kids start to question such restrictions so who better to speak to them directly than their favorite novelists the book is focused on encouraging students to break rules in their own lives a prospect many teens and tweens will find thrilling and fresh luke reynolds has taught middle and high school english in connecticut and massachusetts as well as composition at northern arizona university he is the author of a call to creativity and keep calm and query on

civics education is on the books in all 50 states yet civic illiteracy is widespread only one third of 12th graders are able to explain the significance of the declaration of independence and fewer than half of 8th graders know the purpose of the bill of rights this instructional guide explores the foundations of civics education and the reasons for its demise with commentary from civics education leaders and scholars across the nation questions for eliciting civics discussion are provided for all grade levels along with detailed civic action and service projects and reading plans best practices and grant writing options are included the author argues for a return to early 20th century civics education and details the traditional and present day role of america s libraries in developing a civic minded populace school and public librarians are urged to utilize trade books and carefully evaluated websites to integrate civics within educational and youth services offerings
