student viewers guide to accompany sol y viento reinforces language learnt by revisiting and revising selected core language from caminos 1 teaches grammar in a systematic way identifying patterns clearly and providing plenty of practice the increasingly wide spread of attainment in the second year of language learning is covered by differentiation materials offering activities at two levels develops language learning skills with activities such as dictionary and pronunciation work the cultural cold war in latin america was waged as a war of values artistic freedom versus communitarianism western values versus national cultures the autonomy of art versus a commitment to liberation struggles and at a time when the prestige of literature had never been higher the projects of the historic avant garde were revitalized by an anti capitalist ethos and envisaged as the opposite of the republican state the decline and fall of the lettered city charts the conflicting universals of this period the clash between avant garde and political vanguard this was also a twilight of literature at the threshold of the great cultural revolution of the seventies and eighties a revolution to which the cold war indirectly contributed in the eighties civil war and military rule together with the rapid development of mass culture and communication empires changed the political and cultural map a
