The Theatre of Albert Camus

1971

in 20th century literature a kind of fiction has come much to the fore where the narrator discusses his own craft and frequently addresses the reader however laurence Sterne's *Tristram Shandy* may serve as a striking example of the fact that metafiction is no modern phenomenon metafiction has been criticized for solipsism and regarded as a final proof of 'the novel no longer novel' discussing works of three contemporary novelists Nabokov Barth and Beckett and Sterne's eighteenth century novel the author argues that with their tricks parodies and humour humor the metafictionists are concerned with a central human problem communication should literature entertain come up with ideas about the meaning of existence or give the reader a purely aesthetic experience the four novelists examined in this study give different and rather exciting answers to these questions and to the problem of bringing their intentions across to the reader book cover
