read in any order the valos of sonhadra series is the shared vision of nine sci fi and fantasy romance authors each book is a standalone containing its own happy ever after and can be read in any order blazing is a reverse harem story with three heroes and one lucky heroine complete and no cliffhangers her existence aboard the concord is a nightmare broken only when the station is torn through a wormhole and crash lands on an alien world after waking up alone and bloodied but somehow unharmed she seeks shelter in an abandoned city where she discovers an ancient wondrous mystery alluvial valos of sonhadra paperback february 15 2018 by amanda milo author cameron kamenicky illustrator 4 1 4 1 out of 5 stars 1 253 ratings paperback 8 99 1 new from 8 99 yahiro never thought she would end up in prison let alone on a prison ship where escape was impossible but none of that mattered anymore because while she was curled up in the corner of her cell the lights went out and when they turned back on it was worse sonhadra the planet they have landed on is inhabited by different factions of valos the valos all have unique abilities and appearances and most of them haven't seen a female in a long long time the valos of sonhadra series is the shared vision of nine sci fi and fantasy romance authors each book is a standalone containing its own happy ever after and can be listened to in any order blazing is a reverse harem story with three heroes and one lucky heroine complete and no cliffhangers i want to truly live the valos of sonhadra series is the shared vision of nine sci fi and fantasy romance authors each book is a standalone containing its own happy ever after and can be read in any order enduring is a mmf sci fi romance that contains sexual situations and graphic descriptions of intimacy alluvial amanda milo amazon someone's using me as leverage against my family i was your average citizen innocent of any crime worth going to prison for and yet here i am but this isn't a regular prison ship torture experiments they alter me book 11 is the epic valos of sonhadra series after surviving the concords crash and making their way to an abandoned village and eventually to the fire city and home of the fire valos the valos of sonhadra series is the shared vision of nine sci fi and fantasy romance authors each book is a standalone containing its own happy ever after and can be read in any order warning enduring is a fmm sci fi romance that contains sexual situations and graphic descriptions of intimacy intended for mature readers ending up on a planet one so different than earth greeted by the screams of those who were injured in the crash and the corpses of those who didn't make it she sets off with the survivors in hopes of finding a way home more bookmark rate book find similar series to valos of sonhadra the valos of sonhadra is a collaborative sci fi romance series set in the near future each book follows the adventures of one of nine different women from the concord a space penitentiary for the vilest criminals the valos of sonhadra is a collaborative sci fi romance series set in the near future each book follows the adventures of one of nine different women from the concord a space penitentiary for the vilest criminals sentenced for life some of them unfairly the women are used as part of a series of genetic manipulations by various scientists prison in the future is a spaceship and when it crashes on remote sonhadra charliw must find a way to survive on her own until she meets her valos four strangely gifted aquatic aliens who can breathe under water and live in a domed city beneath the sea sons of valhalla is a combat and base building game set in the viking age build fortresses and lay siege to enemy strongholds gather warriors and board longboats and engage in personal combat as you raid and conquer across england when the penitentiary ship she's incarcerated in gets sucked into an anomaly lydia barely survives the crash onto an alien planet only the sadistic experiments performed on her by the prison's scientist allow her to survive this harsh and dangerous world sons of valhalla combines side scrolling combat with base building strategy in a beautiful pixel art viking age world you play as thorald olavson a warrior hell bent on tracking down the jarl who burned down his home kidnapped his beloved and fled to distant england bringer of death orishok is the last of his kind a valo shaped by the creators to embody death he's stood vigil over his people for centuries watching them fade away one by one succumbing to the entropic energies they hold inside sora is a cheerful young boy hailing from the destiny islands and the main protagonist of the kingdom hearts series longing to see the worlds outside of his own he and his friends riku and kairi pledged to build a raft and set out together
