a recent survey found that a large majority of people who describe themselves as christians struggle with faith and often succumb to fear and unbelief the enemy has used our lack of understanding along with fear and unbelief to rob us of our inherited blessings through christ for many faith has become a social media hashtag or some positive force that everyone can access to facilitate a better life however faith is not a social media hashtag nor is it some positive force flowing throughout the universe that we tap into like a star wars jedi the faith of the bible also known as kingdom faith is the key to experiencing the manifestation of what god has freely given to every believer everything that our lord and savior provided through his death burial and resurrection is available and accessible by faith throughout the pages of this book we explore what i call the process of kingdom faith webster defines a process as a series of actions or steps taken to achieve a particular end just as there is a process to installing software on a computer or baking a cake there is also a process to receiving what god promised in his word the process of kingdom faith incorporates various faith principles to move us from an expectation of the promises being fulfilled to experiencing the manifestation of those promises it is my prayer that this book will lead you to a more intimate relationship with the lord and will allow you to take full advantage of the benefits that god has given you through faith

In this day of increasing uncertainty and fear faith in God is needed more than ever before in addition to its incalculable other benefits faith in God brings peace comfort and overflowing joy to those who put their trust in God but not any kind of faith can procure these benefits only biblical faith can when understood in its biblical authenticity and then put into action faith always leads to triumph in that it enables us to experience what God ordained for us to obtain perform and become in light of this it is extremely important that we the people of God possess a comprehensive biblically based practical tool to aid us in achieving this understanding real faith in action is that tool it presents an unconventional multi-dimensional view of faith revealing many aspects usually not discussed in other works through nine principles that are clearly laid out by the Holy Spirit in what is unquestionably the most comprehensive reporting of the working of faith in all of scripture the roll call of faith in Hebrews 11 the principles are thus illustrated through the real life experiences of fellow humans who dared to believe God for the impossible accordingly the book goes beyond explaining faith to demonstrating faith it is designed to captivate and draw the reader into the world of the faith heroes of the past thus inspiring him or her to do likewise furthermore in that real life experiences are discussed any thought of being incapable of doing the same should be vanquished knowing that others succeeded in their accomplishments by utilizing the same faith to which we also have access

every culture and every tribe believes in something nations tribes and cultures that have never heard of jesus believe in some god or something that can be considered as their god each has faith in what they believe each has their own specific focus of worship and each says they are right in what they accept as true there is however a difference between the ability to have faith and what christians call the faith god has given all men a measure of faith but he does not say he gave everyone a measure of the faith neither does god say everyone will be saved because they show faith in something by christians gaining a better understanding of the process and make up of their own faith as well as faith in general they can be better prepared for the spiritual battle being fought in the realm of faith the more the christian knows how his or her own beliefs function and grow the better they can understand how misguided faith can be redirected to jesus with a clearer understanding of our own faith we can present the evidence that god provides in truth and in the proper light

furthermore confessions and creeds serve to help assure that the doctrinal faith that we articulate today has not subtly changed over time subject to the warping influence of secular society creeds stand as ancient landmarks denoting the location of believers hearts in history noting where one deviates from an ancient creed gives a person a distinct idea about where his or her own theological convictions stand in relation to other believers throughout history perhaps this also helps us to discover what direction we are moving are we moving closer to christ to god s word to the heart of god himself or are we moving further away the confession that i will be recommending to you in this volume is the standard bearing creed in the presbyterian or reformed branch of christianity influenced heavily by the thinking of reformation theologian john calvin 1509 1564 the westminster confession 1647 is a confessional exemplar of reformed theology 2 the westminster confession of faith is the premiere example of theological intellectualism absorbed in the beauty of the sovereignty of god the westminster confession and calvin before it for that matter were both completely committed to the theological concept that god is sovereign over the entire universe therefore as you study this confession you will undoubtedly encounter the living god as ruler of the cosmos the world the events of your life and hopefully your heart
