

Read free Ninety percent of everything by rose george (PDF)

eye opening and compelling the overlooked world of freight shipping revealed as the foundation of our civilization on ship tracking websites the waters are black with dots each dot is a ship each ship is laden with boxes each box is laden with goods in postindustrial economies we no longer produce but buy we buy so we must ship without shipping there would be no clothes food paper or fuel without all those dots the world would not work freight shipping has been no less revolutionary than the printing press or the internet yet it is all but invisible away from public scrutiny shipping revels in suspect practices dubious operators and a shady system of flags of convenience infesting our waters poisoning our air and a prime culprit of acoustic pollution shipping is environmentally indefensible and then there are the pirates rose george acclaimed chronicler of what we would rather ignore sails from rotterdam to suz to singapore on ships the length of football fields and the height of niagara falls she patrols the indian ocean with an anti piracy task force she joins seafaring chaplains and investigates the harm that ships inflict on endangered whales sharply informative and entertaining ninety percent of everything reveals the workings and perils of an unseen world that holds the key to our economy our environment and our very civilization

the richest man in babylon

100

the shipping man when restless new york city hedge fund manager robert fairchild watches the baltic dry cargo index plunge 97 registering an all time high and a 25 year low within the span of just six months he decides to buy a ship immediately fantasizing about naming a vessel after his wife carrying a string of worry beads and being able to introduce himself as a shipowner at his upcoming college reunion fairchild immediately embarks on an odyssey into the most exclusive glamorous and high stakes business in the world from pirates off the coast of somalia and on wall street to greek and norwegian shipping magnates the education of robert fairchild is an expensive one in the end he loses his hedge fund but he gains a life as a shipping man part fast paced financial thriller part ship finance text book the shipping man is required reading for anyone with an interest in capital formation for shipping

please note this is a companion version not the original book sample book insights 1 the ship will become an astonishing remarkable thing thousands of tons of thousands of types of cargo floating on miles of water traveling safely to the other side of the world kendal s job is to travel to felixstowe bremerhaven and rotterdam 2 the people of kendal live and work in the accommodation house a cream superstructure placed toward the rear of the ship the quarters are spacious because they usually house visiting officers the view out of the porthole is busy every port between felixstowe and singapore requires boxes to be loaded and others to be discharged 3 the suz canal is a gateway to plenty beyond it kendal will begin to gather what the east has made for the west and bring it home this is the pendulum of the supply chain and it swings with its own peculiar logic 4 dinner is at six on b deck the crew mess is homely with a large cauldron of rice that is always full and a microwave with two settings instant ramen for one and instant ramen for two
