Spain plan the enterprise of England weaving a cat's cradle of intrigue around the imprisoned Mary Queen of Scots to bring her to the throne in London. Sir Francis Walsingham, Elizabeth I's secretary of state and master of espionage pits his intellect against the forces that threaten England. The Anglo-Scottish border too is a battleground, an anarchic land whose people acknowledge no allegiance but to their family name. But Luke Ridley, illegitimate son of a gypsy, has no allegiances; he must earn his living in whatever way he can. He is caught up in treacheries both of his own and of Sir Francis Walsingham's, making him into the dangerous melting pot of Northumberland. Arrive Christie and Arbel Forster, fragile, amoral. Arbel is a catalyst for all the simmering tensions of the borders. Christie has her own obsession to rediscover the family she lost years before in the terror of the French Wars of Religion. The blood feud between the Forsters and the Riddles has been in abeyance; now it begins to smoulder again, its embers rekindled by the passions and betrayals of the past. What readers are saying about Judith Lennox. Judith Lennox writes wonderful stories which are compelling and beautifully descriptive.
