thematically organized nonfiction reading passages to teach reading comprehension and vocabulary skills written by reading specialist neil anderson this innovative series uses an active reading methodology to help learners become more confident independent and active readers of english this workbook provides a targeted approach to practising the key reading skills required in the aqa gcse english language exam language and structural analysis comparison and evaluation with a focus on how to achieve grade 5 and a question by question approach students are able to take control of their skills development seminar paper from the year 2014 in the subject didactics english pedagogy literature studies grade 2 0 university of cologne course introduction to english language teaching language english abstract having good reading skills in english as a foreign language is becoming more and more important every day in this globalised world wherever you look no matter on which spot of the world you will find descriptions and indications in english in this term paper i am going to emphasise this necessity and illustrate the reading process from its early beginnings and its purposes and give advice to english teachers how they can maximise their teaching effectiveness on the basis of linguistic findings do you want to become a better reader many english learners have this goal in mind in this guide you will learn about reading and why it matters reading materials for english language learners typical tasks found in english language reading tests general reading tips to become a stronger reader where you can find reading materials reading strategies for better comprehension and common reading categories to choose from you can also consult the reading glossary for any words about reading that you don t understand why read you probably know that even in your own language reading is regarded as important because it can be entertaining and educational can open up new worlds and enrich your life and can improve hand eye co ordination and enhance social skills but for learning a foreign language in this case english reading in that language has additional important benefits that can help you learn the language faster and more completely reading is an essential skill for language learners when your reading skills improve your listening speaking and writing skills improve too here are some of the specific reasons why english learners are encouraged to read in english the constant repetition of words and patterns in reading helps you learn and remember vocabulary and grammar structures reading helps you become familiar with the rhythm of english over time it will start to feel natural and you will notice when a sentence or phrase doesn t seem right unlike conversation reading is something you can do on your own reading is not expensive often free good reading skills can improve your other language skills you need to learn to read before you can write reading is the best way to learn and remember the proper spelling of words this book brings together the essential close reading skills needed by students taking part in the broad general education levels 3 4 in s1 to s3 split into two parts the first section uses examples models and active learning tasks to teach key concepts of reading for understanding analysis and evaluation the second section provides 15 practice assessments based on a variety of fiction and non fiction texts which become progressively more challenging as well as allowing learners to demonstrate bge reading skills this section serves as a useful precursor to the style of assessment encountered later on at national levels this book will help students to develop their close reading abilities understand the distinction between key ideas and supporting details analyse writers language and style via a broad range of sample texts **focus grammar** **part iii iv v** **mp3** **part ii
