this is an excellent book for people who are tired and fed up with what they see happening to their country whether it s failing schools a failing federal government a failing economy huge debt and massive unemployment you ll want to read this book hollywood is a cesspool likened to sodom and gomorrah rap music offends almost everyone and is full of degrading lyrics the whole alternative energy push by this president is a scam man made global warming is another big scam and al gore is making tens of millions of dollars from it what s all this stuff about diversity being good for america show me you want alternative energy to replace oil it ll be here in about 25 years get over it our federal government is broken out of control and arrogant and unable to effectively govern we should toss them all out and start over using the constitution as the standard for office it s all in here and it is most assuredly politically incorrect the author does not subscribe to cultural marxism from which politically correct evolved if you are easily offended don t read this book because if you re offended it s your problem not his this is volume 1 in what the author believes will be a 3 volume set and he goes after all of the bad people bad groups and bad ideas
