## **Frida Kahlo: My Own Reality 2020-07-15**

a detailed account of the often turbulent life and career of mexico s most famous woman artist

## ***Frida Kahlo 2002***

my painting carries within it the message of pain frida kahlo born in 1907 near mexico city learned about pain at a very early age she contracted polio at six and then at eighteen suffered serious and permanent injury to her right leg and pelvis in a terrible bus accident young and undaunted she went on to fall in love with the great mural painter diego rivera at a time when their native mexico was going through a period of thrilling political and cultural upheaval rivera and kahlo were a legendary couple both were impassioned lifelong communists while fervently attached to traditional mexican indian culture and both were driven by a relentless artistic ambition that surmounted all the dramas that plagued their marriage later frida became the friend and lover of leon trotsky she was greatly admired by the surrealists and sat for some of the greatest

---

photographers of her day her art largely consisted of self portraits like the famous paintings the two fridas and the broken column though she also left many striking still lives in frida kahlo painting her own reality christina burrus assesses frida kahlo s extraordinary work a maelstrom of cruelty humor candor and insolence reflecting the essence of a free beautiful courageous woman who concealed her physical pain behind peals of infectious laughter
