The Great Serum Race *2007-09*

in 1925 an outbreak of diphtheria hit Nome Alaska the nearest supply of serum was located in Anchorage twenty dogsled teams braved subzero temperatures to run 600 miles in six days in a relay race that saved lives and gained national attention

Trailbreakers - Pioneering Alaska's Iditarod 2009-03-01

events can be synonymous with a particular place helping shape and promote a location given the rise of the global events industry this book uncovers how events impact upon places and societies looking at a range of different events and geographical scales geographers are concerned with how notions of space and place impact people communities and identity and events have played a central role in how places are perceived consumed and even contested this book will discuss international event cases to frame knowledge around the increased demands pressures and complexities that globalisation

transnationalism regeneration and competitiveness has put on events places and societies integrating discussions of theory and practice this book will explore the range of conceptual perspectives linked to how geographers and sociologists understand events and the role events play in contemporary times this involves recognizing histories and planning strategies the purpose of bidding for an event or the local meanings that have emerged and changed in the place this helps us analyse how events have the potential to redefine place identities this international edited collection will appeal to academics across disciplines such as geography planning and sociology as well as students on events management and events studies courses

The Iditarod 2019-03-21

joe redington sr was an ordinary man with extraordinary dreams and buckets of determination his vision was as vast as the majestic alaska landscape he loved to explore this firsthand account is of the man whose love for the alaskan husky and the iditarod trail evolved into the iditarod trail sled dog race

joe s adventurous spirit fierce perseverance and creative heart burned strong within his character and enabled the impossible to become a reality his spell binding stories and genuine love of alaska drew people into his dreams this is the story of those unique feats that defined joe s life and built the foundation for the most demanding and famous sled dog race in the world

Events, Places and Societies 2011-07-01
