marriage with ewen macdonald and her friendships with nora lefurgey and isabel anderson the book also includes rare photographs taken by montgomery and others many of which have not previously appeared in print one of the highlights of the intimate life of l m montgomery is the inclusion of a secret diary that montgomery wrote with lefurgey in 1903 this hilarious document is a rare find for montgomery s teasing banter presents us with a new voice that is distinct from the sombre tone of her journals published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure this volume fills in many of the blanks surrounding montgomery s personal life engaging and erudite it is a boon for scholars and montgomery fans alike
