Dr. Strange 2011-10-26 december 12th 1747 my life has been strangely bound up with extraordinary incidents some of which occurred before i had any connection with the principal actors in them or indeed before i even knew of their existence i suppose most old men are like me more given to looking back upon their own career with a kind of fond interest and affectionate remembrance than to watching the events though these may have

far more interest for the multitude immediately passing before their eyes if this should be the case with the generality of old people how much more so with me if i am to enter upon that strange story connected with poor lucy i must begin a long way back i myself only came to the knowledge of her family history after i knew her but to make the tale clear to any one else i must arrange events in the order in which they occurred not that in which i became acquainted with them
