## **English Language Teaching Issues & Concern**

1964

the book is a summarization of the journey which i have had till date it contains snippets of my interactions with various people who have entered my life at different points of time and what lessons i have learned during my interactions with them and how they have shaped my personality and my belief system life for me is all about the experiences i have had and i have tried to put forth through this book the way i used the lessons learned in my personal and professional life in situations that i have encountered the situations which i faced and the manner in which i handled them gave rise to some simple formulas which i have tried to put forth through this book to people who are interested in looking at life from a very simplistic nature the book is a small effort from my side to put myself in front of the world and hopefully is a start in my literary life

## **Dimensions in Commerce and Management**

1977

right from its formal introduction in india in 1835 through thomas b macaulay s minute english has been intrinsically linked with the employment prospects of indians during their regime the british promoted english education to fulfil the requirement of english knowing indians for administrative purposes owing to globalization the last few years have witnessed the opening up of thousands of lucrative job opportunities for graduates proficient in english english has gained importance in india as the language of opportunities in colonial india english education was a passport to government jobs while in the twenty first century proficiency in english is essential for private sector jobs this book examines the development of curricula in english in indian universities vis a vis the needs of second language learners studying in special english programmes of bachelor of arts ba it also reflects on how globalization has strengthened the connection between english and employment
