Moving Toward a Just Peace 2013-11-18 mediation the facilitated discussion of disputes and conflicts is a flexible approach that can be used at all levels of intervention to move us toward a global peace that is both inclusive and fair this volume edited by jan marie fritz brings together mediators scholar practitioners and a veteran diplomat to discuss the life and times of mediation in very different settings the 14 chapters include three essays about culture creativity and models theories approaches and there are ten chapters about practice community mediation mediation by police special education mediation interventions on behalf of widows in nigeria capacity building work in burundi mediation in israel the creative facilitation of meetings community conferencing un security council resolution 1325 women and peace and security and the role of civil society organizations in peacebuilding this volume discusses the expanding roles from prevention through societal transformation assumed by mediators and the urgent need for mediators working at different intervention levels to learn from each other this volume is a must read for scholars researchers policymakers civil society representatives and practitioners with interests in effective dispute and conflict intervention it particularly is recommended for those managing dispute and conflict intervention processes

Resolving Conflict 2016-07-01 conflict is inevitable in everyday life and especially in today s increasingly non hierarchical organizations in the workplace so what has always been a key leadership skill conflict resolution has become even more critical but too often leaders receive little formal training in conflict resolution and they struggle just to manage the simplest interpersonal conflicts by using the lessons of this book readers will be able to apply a thorough proven method summarized in ten steps for resolving conflicts following these steps leaders can analyze a conflict and move toward its resolution with more assurance of a positive outcome for everyone involved

Conflict Resolution 2018-08-20 first published in 1999 this volume examines ways in which adversarial relationships can be transformed and reconciled in diverse settings it is intended to enhance our understanding of the nature of structural transformation as well as the processes for changing psychological relations between adversaries conflict resolution is ingrained in the analysis of inter group dynamics as well as the process and outcome of negotiating different values and incompatible interests the contributors to the volume include christopher mitchell tarja väyrynen ronald j fisher louis kriesberg malvern lumsden e franklin dukes and richard e rubenstein

Internal Conflict and Governance 2016-07-27 violence war and internal conflicts have assumed a new intensity with the decline of the cold war there are over 32 civil wars going on today our world may well witness

over 100 million refugees in the year 2000 as a direct result of internal wars this volume consists of case studies and theory oriented papers dealing with asia africa and latin america and the middle east taken together they spell out implications of wide general interest providing a comparative basis for a systematic approach to conflict transformation

Collaborative Approaches to Resolving Conflict 2000-03-20 if you've ever wondered how best to approach a conflict collaborative approaches to resolving conflict will help you choose the right method for your problem using the same tool for different kinds of conflict often leaves us feeling stuck and frustrated authors myra warren isenhardt and michael l spangle explain the major approaches to managing disputes at home in the workplace or school within communities or in the international arena the reader will find that each approach is illustrated with recent examples of what can go wrong and how to respond most appropriately

Understanding Cyber Conflict 2017 analogies help us think learn and communicate the fourteen case studies in this volume help readers make sense of contemporary cyber conflict through historical analogies to past military technological problems the chapters are divided into three groups the first what are cyber weapons like examines the characteristics of cyber capabilities and how their use for intelligence gathering signaling and precision strike compares with earlier technologies for such missions the second section what might cyber wars be like explores how lessons from several wars since the early 19th century including the world wars could apply or not apply to cyber conflict in the 21st century the final section what is preventing and or managing cyber conflict like offers lessons from 19th and 20th century cases of managing threatening actors and technologies

Preventing Deadly Conflict 2015-10-29 conflict is inherent to all human and inter state relations but it is not inevitable since the end of the cold war the prevention of conflict escalation into violence through management and resolution has become a fundamental objective of the international system so how does prevention work when it works and what can be done when tried and tested practices fail in this book i william zartman offers a clear and authoritative guide to the key challenges of conflict prevention and the norms processes and methods used to dampen and diffuse inter and intra state conflict in the contemporary world early stage techniques including awareness de escalation stalemate ripening and resolution are explored in full alongside the late or crisis stage techniques of interruption separation and integration prevention he argues is a battle that is never won there is always more work to be done the search for prevention necessary but still imperfect continues into new imperatives new mechanisms new agents and new knowledge which this book helps discover and apply

Resolving the Israeli-Palestinian Conflict 2009 collection of papers and keynote presentations that were delivered at a conference called pathways to peace which was held in march of 2008

Constructive Conflict Management 1996-03-26 uses cases from the asia pacific region to illustrate culture s role in conflict mediation

Conflict Resolution and Status 2011 the dispute between georgia and abkhazia is not a conflict of equals in international conflicts adversaries may differ de facto on the ground in terms of population territory and capability among other things as internationally recognized states however they have equal de jure status and fears that inviting the other side to the negotiating table might be construed as recognition for example rarely intrude the question of status does pose problems however when a conflict is being fought between a recognized state and an unrecognized entity and these problems may contribute to increase the intractability of such conflicts this study explores how and to what extent the difference in status between a sovereign state and an unrecognized entity hinders conflict resolution activities based on intensive fieldwork and unedited negotiation material the book provides an in depth analysis of the negotiations informal dialogues and grassroots activities that took place in abkhazia and georgia between 1989 and 2008

Valley of Darkness 1986 this volume portrays the daily life of ordinary japanese civilians on the home front during world war two drawing extensively on wartime records and early postwar recollections of people who lived through the war era the book reveals a surprisingly cohesive society that bore up remarkably well originally published by w w norton and company in 1978

British Politics and Foreign Policy, 1727-44 2016-04-15 covering the period from the end of the anglo french alliance in 1731 to the declaration of war between the two powers in 1744 this book charts a turbulent period in british politics that witnessed the last decade of the walpole ministry the attempt to replace it by a patriot government and the return of the old corps whigs to a process of dominance in particular it reveals how ministerial change and political fortunes were closely linked to foreign policy with foreign policy both affecting and being affected by political developments the book draws upon a great range of foreign and domestic sources but makes particular use of foreign diplomatic records these are important as many negotiations were handled at least in part through envoys in london moreover these diplomats regularly spoke with george ii and his ministers and some were personal friends of envoys and could be used for secret negotiations outside normal channels the range of sources consulted ensures that the book offers more than any previous book to cover the period as a whole whilst not simply becoming a detailed study of a number of episodes

instead it retains the strong structural aspects of the relationship between foreign policy and politics necessary to examine questions about political stability motivation and effectiveness following on from jeremy black s previous studies on eighteenth century foreign policy politics and foreign policy under george i covering the period 1714 27 this new book takes the story up to 1744 and continues to illuminate the complex and often opaque workings of the british state at a turbulent period of european history

Transforming Church Conflict 2013-01-01 using real world case studies and examples hunsinger and latini helpfully guide pastors and lay leaders through effective and compassionate ways to deal with discord

Unlearning Shame 2024-02-15 with the authentic voice i ve grown to expect from devon this book articulates a feeling that has lurked in the dark corners of so many minds and brings it into the light where it can be faced embraced understood and ultimately healed stop doomscrolling and read this book you ll feel better i promise celeste headlee

journalist and bestselling author how many times a day do you feel shame struggling to pay the bills buying a top made in a sweatshop reading the news and feeling yet again a powerlessness to the point of apathy in today s self blame culture it often feels impossible not to carry shame about the choices we make and the values by which we live when the political is so personal and the personal is so political it s easy to feel overwhelmed by the sense that we re not doing enough maybe even that we re not enough in this bold and transformative manifesto social psychologist and author of unmasking autism dr devon price takes an in depth look at shame and the role it plays in our lives systemic shame traps us into fighting unwinnable battles and judging others for their failures but it especially affects those who are already vulnerable because they re carrying shame from a difficult past or a complicated sense of self esteem this new radically positive book shows us that there is no such thing as becoming good enough to be deserving of love that we must claim acceptance for ourselves blending the latest social psychology personal insights and empowering practical exercises unlearning shame is a radical guide to overcoming self blame and embracing a new culture one where we take control of the choices we make and the future we create

Motherless Brooklyn 2011-04-20 national book critics circle award winner a compulsively readable riff on the classic detective novel from america s most inventive novelist a half satirical cross between a literary novel and a hard boiled crime story narrated by an amateur detective with tourette s syndrome the dialogue crackles with caustic hilarity unexpectedly moving the boston globe brooklyn s very own self appointed human freakshow lionel essrog is an orphan whose tourettic impulses drive him to bark count and rip apart our language in startling and

original ways together with three veterans of the St Vincent's Home for Boys he works for small time mobster Frank Minna's limo service cum detective agency. Life without Frank Minna, the charismatic king of Brooklyn, would be unimaginable. So who cares if the tasks he sets them are well not exactly legal but when Frank is fatally stabbed one of Lionel's colleagues lands in jail the other two vie for his position and the victim's widow skips town. Lionel's world is suddenly topsy turvy and this outcast who has trouble even conversing attempts to untangle the threads of the case while trying to keep the words straight in his head. *Motherless Brooklyn* is a brilliantly original, captivating homage to the classic detective novel by one of the most acclaimed writers of his generation.

Israeli-Palestinian Peace Negotiations, 1999-2001 2013-11-05 written by Gilead Sher, Israeli Chief of Staff during the tumultuous 1999-2000 peace negotiations. This book provides a fast-paced description and analysis of the Israeli-Palestinian conflict, presenting an overview of the core issues of contention, the various key players, and the possible solutions formulated during the peace process effort. The book sheds new light on the events of that period, an important contribution to the current literature. It provides a fresh understanding of the link between the Israeli-Palestinian conflict and the current global threats of Islamic fanaticism and international terrorism.

The Iraq War 2015-01-01 written in British English. In the Iraq War, significant events that shaped the war are explored, including the background to war, the clashes over weapons inspections, the fall of Saddam Hussein, the worsening violence inside Iraq, the Iraqi elections, and the withdrawal of troops.

International Journal of Peace Studies 2003. This book explores Tycho Brahe's wide range of activities which encompass much more than his reputed role of astronomer. Christianson broadens this singular perspective by portraying Brahe as Platonic philosopher, Paracelsian chemist, Ovidian poet, and devoted family man. This pioneering study includes capsule biographies of two dozen men and women, including Johannes Kepler, Willebrord Snell, Willem Blaeu, several bishops, and numerous technical specialists, all of whom helped shape the culture of the scientific revolution under Tycho Brahe's leadership. Their teamwork achieved breakthroughs in astronomy, scientific method, and research organization that were essential to the birth of modern science.

On Tycho's Island 2003. This book about the philosophy of science is the second out of four volumes by Richard Ned Lebow. In this book series, it not only provides a useful overview of this broad topic but also provides deeper insight into specific topics like the philosophy of science, causation, epistemology, and methods, and especially on counterfactual analysis.

Richard Ned Lebow: Major Texts on Methods and Philosophy of Science

2016-09-01 this book investigates what impact gender equality has on genocide in africa to verify whether it is a missing indicator from current risk assessments and models for genocide prevention examining whether states characterised by lower levels of gender equality are more likely to experience genocide timmoneri adds gender indicators to the existing early warning assessment for the prevention of genocide moreover the book argues for the formulation of policies directed at the improvement of gender equality not just as a means to improve women s conditions but as a tool to reduce the risk of genocide and mass atrocities using case studies from nigeria ethiopia angola uganda and burundi timmoneri analyses recent atrocities and explores the role of gender equality as an indicator of potential genocide gender equality and genocide prevention in africa will be of interest to students and scholars of political science genocide studies and gender studies

Gender Equality and Genocide Prevention in Africa 2019-01-31 translating theory into practice globalizing intercultural communication a reader introduces students to intercultural communication within the global context and equips them with the knowledge and understanding to grapple with the dynamic interconnected and complex nature of intercultural relations in the world today this reader is organized around foundational and contemporary themes of intercultural communication each of the 14 chapters pairs an original research article explicating key topics theories or concepts with a first person narrative that brings the chapter content alive and invites students to develop and apply their knowledge of intercultural communication each chapter s pair of readings is framed by an introduction highlighting important issues presented in the readings that are relevant to the study and practice of intercultural communication and end of chapter pedagogical features including key terms and discussion questions in addition to illuminating concepts theories and issues authors editors kathryn sorrells and sachi sekimoto focus particular attention on grounding theory in everyday experience and translating theory into practice and actions that can be taken to promote social responsibility and social justice

Efforts Towards Conflict Prevention in the Eastern African Region 2010

abraham lincoln like you ve never seen him this book offers a portrait of lincoln that vividly demonstrates his spirituality not one to wear his faith on his coat sleeves lincoln s life speaks dramatically of his faith in god and in the bible by living a christian life in his actions and in his speeches

Globalizing Intercultural Communication 2015-01-02 includes section book reviews

The Spiritual Abraham Lincoln 2004 the contributors to this fully revised volume a team of international experts with both academic and

professional experience in the field provide a broad range of geographical and disciplinary perspectives covering theory research and practice they analyze the different types of conflict and offer a thorough examination of the influences on conflict structural situational strategic and cultural exploring conflict management and resolution they also discuss negotiation mediation peace keeping and peace building

African Journal on Conflict Resolution 2009 the way of conflict teaches strategies for using ancient wisdom and modern techniques to confidently engage in any dispute and reach a balanced resolution this groundbreaking book integrates the wealth of conflict skills found throughout the world's major religious and indigenous traditions with the latest scientific systems and conflict resolution theory it uses the cross cultural metaphor of the four natural elements earth water fire and air to identify the innate conflict personality types and propose a productive path through the chaos of conflict combining her extensive experience as a licensed mediator and corporate trainer with wisdom gained from years of spiritual study combs uses assessment tests anecdotes from indigenous and religious traditions and illustrative folktales to show how to quickly assess a conflict and implement an appropriate resolution strategy

Conflict Management in Organizations 1961 management computers computer networks information exchange data processing it and information management it service management

When Getting Along Seems Impossible 1989 an occasional publication of the Ulysses S. Grant Association that serves to supplement the papers of Ulysses S. Grant by providing both interpretations of Grant and source material impossible or inappropriate to include in the volumes this volume also provides an appropriate vehicle for the Association editors to use the recently developed computer assisted text processing methods the entire manuscript was stored and edited on magnetic computer tape at Southern Illinois University Carbondale mnemonic coding of the final tape was accomplished with definitions developed by Southern Illinois University Press reducing the typesetter's function to making minor adjustments in his programs to accept the tape these six articles and documents cover a wide range of topics Richard N. Current and E. B. Long call for a reappraisal of Grant with Current examining Grant's role as a leader of a nation only nominally at peace and Long focusing on the controversies surrounding his generalship Charles G. Ellington traces Grant's journey across the Isthmus of Panama in 1852 which left him with a lifelong desire to build a transcontinental canal Horatio E. Wirtz examines Grant's little known role as a mediator in a dispute between China and Japan over the Ryukyu Islands John M. Hoffman presents an unpublished account of the Battle of Chattanooga from the journal of

quartermaster general m c meigs david l wilson and john y simon make available a memoir by grant s personal cipher clerk and telegrapher samuel h beckwith

The New Scholasticism 1958 praise for the handbook of conflict resolution this handbook is a classic it helps connect the research of academia to the practical realities of peacemaking and peacebuilding like no other it is both comprehensive and deeply informed on topics vital to the field like power gender cooperation emotion and trust it now sits prominently on my bookshelf leymah gbowee nobel peace prize laureate the handbook of conflict resolution offers an astonishing array of insightful articles on theory and practice by leading scholars and practitioners students professors and professionals alike can learn a great deal from studying this handbook william ury director global negotiation project harvard university coauthor getting to yes and author the third side morton deutsch peter coleman and eric marcus put together a handbook that will be helpful to many i hope the book will reach well beyond north america to contribute to the growing worldwide interest in the constructive resolution of conflict this book offers instructive ways to make this commitment a reality george j mitchell former majority leader of the united states senate former chairman of the peace negotiations in northern ireland and the international fact finding committee on violence in the middle east chairman of the board walt disney company senior fellow at the school of international and public affairs columbia university let s be honest this book is just too big to carry around in your hand but that s because it is loaded with the most critical essays linking the theory and practice of conflict resolution the handbook of conflict resolution is heavy on content and should be a well referenced resource on the desk of every mediator as it is on mine johnston barkat assistant secretary general ombudsman and mediation services united nations
