**Airman** 1976 popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better *Armor Piercing Ammunition and the Criminal Misuse and Availability of Machineguns and Silencers* 1986 field stream america's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters

and fishermen have passed down for generations

Backpacker 1976-10 first published in 1962 this is a wonderful collection of humorous articles on feminine topics written by actress and stuntwoman turned writer cynthia hobart lindsay the art of being a woman successfully can be learned neither from life nor from a charm school it is a quality mysteriously endowed at birth a magic quality if it is inherent in you you are blessed indeed if it isn't you just have to keep trying harder and harder and harder plan your life organize your time and if you can't learn from your own experiences try to learn from those of others mine for instance there may be a little something useful you can pick up in this how to in womanship if so i'm grateful that i've contributed to easing your situation while complicating my own but as you go on your womanly way remember and keep always in mind the one imperative fact you can't win cynthia hobart lindsay

**Have You 101?** 2011-04-21 do it yourself investigates the history behind the current do it yourself craze in homebuilding and home repair the origins of home improvement can be traced to the early part of the century when government loan programs placed home ownership within the reach of growing numbers of families mass circulation magazines began providing their readers with information about home remodeling and repair and increasing numbers of americans turned to the manual arts and handicrafts as leisure time pursuits world war ii provided many americans with the skills and confidence to undertake home improvement projects on their own and after the war changes in the manufacturing and retail of tools and equipment created new possibilities for transforming one's home as home remodeling became a central feature of domestic life and consumer culture the do it yourself movement was born coming of age in the baby boomer 1950s and 1960s when americans created suburban paradises and reclaimed decaying urban centers the text of do it yourself which investigates topics ranging from women's roles in home repair to historic preservation is a lively mix of illustrations including period photographs magazine spreads
