To Amend Further the Peace Corps Act, Hearing, 89-1, June 2-8, 1965 1965 did you hear the one about the mother superior who was so busy casting the first stone that she got caught in flagrante delicto with her lover what about the drunk with a savior complex who was fool enough to believe himself to be the second coming and that's nothing compared to what happens when comedy gets its grubby paws on the confessional enter fifteenth and sixteenth century french farce the bestseller of a world that stands to tell us a lot about the enduring influence of a shakespeare or a molière it's the sacrilegious world of immaculate deception the third volume in a series of stage friendly translations from the middle french brought to you through the wonders of open access these twelve engagingly funny satires target religious hypocrisy in that in your face way that only true slapstick can muster there is literally nothing sacred why this repertoire and why now the current political climate has had dire consequences for the pleasures of satire at a cultural moment when we have never needed it more it turns out that the proverbial dark ages had a lighter side and france's over 200 rollicking frolicking singing and dancing comedies more extant than in any other vernacular have waited long enough for their moment in the spotlight they are seriously funny funny enough to reclaim their place in cultural history and serious enough to participate in the larger conversation about what it means to be a social influencer then and now rather than relegate medieval texts to the dustbin of history an unabashedly feminist translation can reframe and reject the sexism of bygone days by doing what theater always invites us to do interpret inflect and adapt
