Complex Conveyancing

2011-12-01

problem based learning is a way of learning that presents a practical problem scenario in the context of which learning is conducted normally students are taught law through the transmission of information about legal principles and not presented with problems until they have accumulated enough information to solve them in pbl discussion and analysis of the problem starts the process of learning rather than acting as an end point as a curriculum concept it is becoming increasingly common in law schools as the use of problem scenarios helps to trigger awareness of legal issues and to engage interest by highlighting the real world ramifications this new textbook creates a fresh approach to learning land law through the use of scenarios found in real life which bring what is often perceived to be a dry and difficult subject to life this helps both to engage the student and make the subject more accessible as well as demonstrating to students how land law actually operates in the real world land law is often seen as an esoteric subject with lots of technicalities and complex vocabulary and students often forget the context in which it operates with land law a problem based approach context is placed at the heart of learning students are learning through application rather than via an abstract set of rules and can therefore gain a deeper understanding of how

how to hypnotize people easily and effectively master mind control hypnosis and influence basic to advanced techniques (Read Only)

~~land law works not just what it is unlike other textbooks land law a problem based approach integrates a~~
thorough exposition of the law with practice facilitating a more active learning approach and helping students to engage directly with the key cases and statutes to develop key skills of analysis problem solving and application written in a clear and concise style but without sacrificing detail or analysis the book guides the reader towards a deeper understanding of the land law curriculum key features include an introductory chapter outlining the problem based learning approach and how to use the book content overviews at the start of each chapter which provide a useful outline of the chapter s content and the key principles pbl scenarios at the start of each chapter which provide the real life context to each topic and help to familiarise readers with the legal language and style they will encounter together with the relevant supporting documents these scenarios are referenced and integrated throughout the chapter let s put this into context boxes which require students to apply the law that they have learnt back to the problem scenario and offer opportunities to reflect and consolidate on the content covered essential cases and essential statutes boxes reinforce the essential role of cases and legislation in the development and application of land law and help students identify key cases and legislation for revision purposes understanding terminology boxes and an online glossary help students to get to grips with the technical terms and vocabulary unique to land law tables and diagrams explain difficult concepts and rules ideal for visual learners tips and notes highlight key issues and make links between different aspects of the law without interrupting the flow of the text specimen exam style questions are ideal for revision and help to provide opportunities to apply learning and practice exam technique

Conveyancing Protocol

2011

aims to set the substantive law of conveyancing in the context of practical conveyancing transactions and procedures in line with the law society s legal practice course the book expounds the law using the vehicle of a series of imaginary conveyancing transactions in an imaginary law firm

its continuing development

The National Conveyancing Protocol

1992-01-01

vacant possession is an element of property law that ensures a property is left in good condition when it
changes hands every time a property is sold or if tenants move out of rented property vacant possession is
unavoidable a vital part of the job of any property lawyer or surveyor yet this is the first book to look
at this area in depth if a property professional understands vacant possession they can make sure their
cases move quickly and complete at a time that suits them if they do not they are vulnerable to others who
know it better and can use the law to frustrate proceedings for months or even years while their clients
continue to pay money on rent or mortgage payments for properties they re not using this book is essential
reading for all property lawyers and surveyors it is destined to be the definitive guide to vacant
possession
