live every actor s road to fame is different but dwayne johnson s path has been one of the most unique over a career that has taken him from the squared circle to the silver screen the rock has entertained countless fans and done his best to give back born in california in 1972 johnson quickly became familiar with the family business professional wrestling both his father and grandfather were wrestling stars and even his grandmother was involved in wrestling as a promoter early on he participated in football wrestling and track at schools in both new zealand and the united states after his studies concluded johnson decided to play professional football in canada unfortunately johnson was cut from his football team just two months into his debut season soon after he followed in his father s and grandfather s footsteps he joined the world wrestling federation wwf in 1996 as a sports entertainer a term that refers to the wwf s wrestling matches being more like performance art than actual fights fans disliked johnson at first but once he assumed the character of the rock he turned into one of the wwf s biggest stars in fact one of johnson s signature phrases smackdown became so popular that it was added to merriam webster s collegiate dictionary as a new word

wwf smackdown johnson credits his appearance on the american show saturday night live in the year 2000 with helping him become an actor since then he has gone on to feature in dozens of hollywood productions including get smart jumanji welcome to the jungle and the fast furious series he can also be seen in jungle cruise based on the disney ride of the same name even though johnson never made it as a professional football player he never forgot his football days at his alma mater in 2007 he and his ex wife donated one million dollars to the university of miami to improve its football facilities johnson also has a charity the dwayne johnson rock foundation that works with at risk and terminally ill children in addition to this johnson has his own movie production company seven bucks productions the name comes from the amount of money johnson had left after his stint in canadian football but johnson s luck sure has changed since then last year he topped forbes magazine s list as the world s highest paid actor earning 89.4 million in the previous year and perhaps more important than his financial success johnson s fellow actors routinely describe him as energetic focused and devoted three qualities that have helped him greatly on his unique path to the top of hollywood

live no 226 february 2020 4 live 9 10 bellerophon and pegasus 14 curious facts about the capybara 18 thinking outside the shipping box 20 walking on the sky in bolivia 24 what does a cup of tea really cost 26 making the most of valentine s day 30 look what the cat dragged in 31 introducing margot robbie 38 cooling the planet with brighter clouds 42 eating at an all you can eat buffet 46 false memories or parallel realities 50 studying english with songs dance monkey tones and i 51 translation practice 54 the cat came back cloning kittens in china 58 60 movie trailer english 61 general english proficiency test 63 chinese translation 73 gept answer key introducing margot robbie there is much to admire about 29 year old

margot robbie since arriving in hollywood from her native australia 10 years ago she has been in two dozen movies and is one of the best actresses in hollywood today she also founded her own production company and in 2017 made time magazine s list of the 100 most influential people in the world so what is robbie s secret to success though her talent is a key factor it s her drive and her contributions to reshaping

hollywood for women that have made her stand out as an actress robbie is extremely versatile in her breakthrough role she starred as the tough brooklyn accented naomi lapaglia in the wolf of wall street clearly outshining her male costar leonardo dicaprio robbie went on to play a wide range of other characters including jane porter tarzan s love interest in the legend of tarzan and harley quinn a crazy roller skating psychiatrist in suicide squad but it wasn t until 2017 when robbie played the real life figure skater tonya harding in i tonya that her acting won the hearts of everyone the movie which robbie also produced earned her an academy award nomination for best actress

growing up margot robbie knew she had to fight her way to the top she was born on a farm in queensland australia and her father abandoned the family when robbie was little leaving her mother to raise her and her three siblings while studying drama in high school robbie held three jobs to help make ends meet later she got a role in a popular australian tv soap opera after calling the company multiple times and refusing to take no for an answer three years later she left the show for hollywood besides acting robbie has done notable work in film production with i tonya under her belt robbie took on new projects such as birds of prey featuring harley quinn and promising young woman about a tragedy stricken vengeance seeking young woman it s not surprising that female characters are the focus of these films speaking publicly robbie pointed out that many women in hollywood have to struggle for the right to earn a living and the right to be heard through acting and film production robbie gives women stronger representation in the movie business and that s certainly a welcome contribution

out who marshmello was marshmello s look is defined by his marshmallow shaped helmet that has its own air conditioning and lighting system a bright all white suit completes his marshmallow themed look as for the name it comes from a comment a friend made which described his music as mellow and easy to listen to the multitalented marshmello is not just a dj but also a producer and a songwriter he stays independent from record labels so that he s free to make and release music the way he wants to that hasn t hurt his bottom line though he has worked together with some of the biggest names in pop music like bastille on the track happier and selena gomez on wolves his live shows can earn him over 100 000 per performance

marshmello s real name is christopher combs he was born in november 1992 in austin texas he started producing music in 2012 and became a dj in 2014 his first mixtape was released in 2014 and his first album joytime was released in 2015 his biggest success so far was an unusual one he recorded a 30 minute concert within the online video game fortnite with their weapons turned off players could dance fly and dodge flying balls while marshmello played there was even a special dance that gamers could have their characters perform the marsh walk marshmello said he was happy that some people got to experience their first concert in the game you might imagine that all this attention would go to marshmello s head however you ll be happy to hear that the producer is keeping it real marshmello tweeted that he would never take off his helmet because he does not want or need fame his only goal to create something positive that people can connect with

marshmello s friends friends joytime joytime dj

happier nobody has been able to confirm marshmello s real name and the man in white has been cagey in interviews often only indicating yes or no or typing an answer on his laptop marshmello first appeared in 2015 and was known for his remixes of popular songs such as anne marie s friends later his first album joytime reached number five on the billboard us top dance electronic albums chart the dj s biggest success so far was an unusual one he recorded a 30 minute concert within the online video game fortnite with their weapons turned off players could dance fly and dodge flying balls while marshmello played there was even a special dance that gamers could have their characters perform the marsh walk marshmello said he was happy that some people got to experience their first concert in the game you might imagine that all this attention would go to marshmello s head however you ll be happy to hear that the producer is keeping it real marshmello tweeted that he would never take off his helmet because he does not want or need fame his only goal to create something positive that people can connect with

many of the important and creative developments in modern mathematics resulted from attempts to solve questions that originate in number theory the publication of emil grosswald s classic text presents an illuminating introduction to number theory combining the historical developments with the analytical approach topics from the theory of numbers offers the reader a diverse range of subjects to investigate

## **Senate Bill 1977**

it s never been easier to make lone star style quilts shelley has simplified the intricate looking traditional design by breaking it into easy to piece units without a set in seam or bias edge in sight you won t be using templates or cutting angled pieces from strip sets either instead each of the eight designs begins with familiar stitch and flip units that are then sewn into blocks yes blocks from there arrange blocks to create a variety of stellar designs that even a novice can complete with ease if you can stitch on a marked line you re ready to make these heavenly

quilts intricate looking designs reimagined with simplified piecing everyone loves to stitch and flip these beginner friendly blocks will make everyone feel at ease customer review a wonderful addition to any quilter s library there are eight beautiful contemporary projects with each having an alternative layout suggestion one looks amazingly like old world spanish mosaic tile just gorgeous but most impressive is the unique manner of construction that avoids bias edges commonly experienced with star patterns very cleverly designed will look forward to more from this talented designer and quilter

live

wonder woman is one of the strongest

female characters in the superhero universe to play that part you need someone who is courageous beautiful and caring luckily gal gadot matches that description perfectly with her long brown hair and athletic build she certainly looks the part born in israel gadot achieved early success thanks to her looks winning the miss israel competition when she was 18 this victory eventually led to a modeling career but first she would have to complete her required two year military service she took on the challenge with grace working as an instructor in the israeli defense force you give two or three years and it s not about you she said in a 2016 interview you learn discipline and respect after beginning her acting career in an israeli tv show gadot made her feature film debut in 2009 s fast furious she would later star in several entries of the popular franchise but it was her performance as wonder woman in batman v superman dawn of justice and the heroine s eponymous film in 2017 that gadot is best known for this would turn out to be the role of a lifetime for the israeli actress

wonder woman broke box office records and turned gadot into a household name she became one of the highest paid actresses globally and landed a spot on time s list of the world s 100 most influential people gadot used her fame to work with pencils of promise an organization promoting equal access to education for children as a mother of two it should come as no surprise that she is using her fame to raise funds to build schools in underprivileged areas around the world recently gadot reprised the role that made her famous in the latest wonder woman movie wonder woman 1984 however in addition to her superhero duties she has started working as a producer with her own production company among other projects the company is adapting the life stories of several strong women throughout history such as irena sendler a polish social worker who saved dozens of jewish children from the holocaust gadot will perform in these projects to continue as an example for women and girls around the world gal gadot didn t start out trying to become a star but it s a good thing that she did with her strength and kind heart this wonder of a woman is just the kind of role model we need today
